2.5 Details of Amount due by Related Parties

There is no amount due and owing to our Group by its Related Parties which has exceeded the credit term granted for the financial year ended 30 June 2023.

2.6 Rationale and Benefit of the RRPT

The Proposed RRPT Mandate are all in the ordinary course of business, necessary for the Group's day-to-day operations and to meet the business needs of the Group. In addition, the Proposed RRPT Mandate will eliminate the need to make announcements to Bursa Securities and/or to convene separate general meetings (if applicable) from time to time to seek shareholders' approval prior to entering into such RRPTs. This will substantially reduce the expenses, time and other resources in convening of general meetings on an ad hoc basis as well as improve administrative efficiency and allow financial and manpower resources to be channelled towards other corporate objectives.

The Proposed RRPT Mandate will enhance Cheetah Group's ability to explore and pursue its business opportunities which enable expediency and increase efficiency for day-to-day objectives.

With the Proposed the RRPT Mandate, the Group would have advantage to understand and familiar with the background and management of the Related Parties. Hence, the Group is clearer when making any commercial decisions. And the Group also understand the type of services that the Related Parties are specialised.

2.7 Guidelines and Review Procedures for RRPT

The Group implements the following guidelines and procedures to ensure that the RRPT contemplated under the Proposed RRPT Mandate are undertaken on transaction prices and terms which are generally not more favourable to the Related Parties than those generally available to the public, not detrimental to minority shareholders and are in the best interest of the Group:

(i) Methods for Determination of Transaction Price

- (a) The pricing of the product/service is negotiated between Cheetah Group and the Related Parties based on prevailing market prices. A database or quotations obtained from third parties are being maintained by the Company. This information would provide true and fair evaluations and ranking of the price, delivery, services and other terms and conditions before entering into such transactions.
- (b) Any tender, quotation or contract received from or proposed to be entered into with a Related Party will not be approved unless:
 - at least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities.
 - In the event that quotation or comparative pricing from unrelated parties cannot be obtained, Cheetah Group's pricing for the RRPT will be determined in accordance with the Group's usual business practices and policies, consistent with the usual margin of the Group for the same or substantially similar type of transactions made by the Group with unrelated third parties; and
 - the terms are not more favourable to the Related Parties than those extended to unrelated third parties and available to the public and the RRPT are not detrimental to minority shareholders of Cheetah.

(ii) Approving authority in relation to RRPT

The thresholds for the approval of RRPT within the Cheetah Group are as follows:

- (a) Where the RRPT is one with a value below RM500,000.00, it will be reviewed and approved by any one Director of the Company who has no interest in the transaction.
- (b) Where the RRPT is one with a value equal to or in excess of RM500,000.00, it will be reviewed by the ARMC and approved by the Board.

(iii) Monitoring of RRPT

- (a) A list of Related Parties will be circulated within the Group to notify that all RRPT are required to be undertaken on arm's length basis and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and not detrimental to the minority shareholders.
- (b) All Department Heads are required to report on all transactions involving Related Parties.
- (c) The Company shall keep a record of all RRPT which are entered into pursuant to the Proposed RRPT Mandate which will be available to the ARMC for inspection, as and when required.
- (d) All RRPT shall be tabled to the ARMC for review on a quarterly basis. Any member of the ARMC may as he/she deems fit, request for additional information pertaining to the transactions under review from independent sources or advisers, including obtaining valuations from independent professional valuers.
- (e) The internal audit functions will conduct periodic reviews of any or all of the RRPT to ascertain that the relevant approvals have been obtained and the guidelines and review procedures in respect of such transactions are adhered to. Any divergence is reported to the ARMC.
- (f) The ARMC will review the internal audit reports to ascertain that the guidelines and review procedures established to monitor the RRPT are complied with.
- (g) Should the ARMC during its review determine that the guidelines and/or procedures are inadequate or have become inappropriate or certain RRPT are not being conducted on arm's length basis or normal commercial terms and are detrimental to the interests of the minority shareholders, the Company will be advised to obtain a fresh shareholders' mandate for those transactions based on the new guidelines and/or procedures.
- (h) The ARMC shall also have the discretion to request for limits to be imposed or for additional procedures to be followed if it considers such a request to be appropriate. In that event, such limits or procedures may be implemented without the approval of shareholders, provided that they are more stringent than the existing limits or procedures.
- (i) The Board and the ARMC have reviewed the procedures and shall continue to review the procedures as and when necessary. If a member of the Board or the ARMC has an interest, whether direct or indirect, in a transaction to be reviewed by the Board or the ARMC, as the case may be, he/she will abstain from all deliberation and voting on such transaction.

3. STATEMENT BY THE ARMC

The ARMC has considered the guidelines and review procedures mentioned in Section 2.7 above and is of the view that:

- (a) the said procedures are sufficient to ensure that the RRPT are conducted at arm's length and on normal commercial terms which are not more favourable to the Related Party than those generally available to the public and are not to the detriment of the minority shareholders;
- (b) Cheetah Group has in place adequate procedures and processes to monitor, track and identify RRPT in a timely and orderly manner; and
- (c) The ARMC will review these procedures and processes on a yearly basis or whenever the need arises with the authority to sub-delegate such function to individuals or committees within the Cheetah Group as it deems appropriate,

and the same has been reviewed and approved by the Board.
