# MANAGEMENT DISCUSSION AND ANALYSIS

## OVERVIEW OF THE GROUP'S BUSINESS AND OPERATIONS

Cheetah Holdings Berhad ("the Company") is an investment holding company. Together with its subsidiaries ("the Group"), it is principally engaged in the design, development, marketing and distribution of garments, apparel and ancillary products, as well as electronic commerce activities.

Founded in 1977, the Group has an operating history spanning nearly five decades, having clothed generations of Malaysians. Its flagship "Cheetah" brand, launched in 1979, has established itself as a recognised homegrown apparel label among Malaysian consumers. Over the years, the Group has continued to evolve its product offerings and brand portfolio in response to changing consumer preferences, lifestyle trends and market conditions.

The Group's brand portfolio comprises Cheetah, CTH Unlimited, Arissa, Cheetah Kids and Cheetah Baby, catering to different consumer segments through a range of sportswear, casual wear, lifestyle apparel, womenswear and children's clothing.

As at 30 June 2026, the Group operated a network of 638 consignment counters, including 11 counters in Brunei, together with one warehouse and two standalone boutiques in Malaysia, located at 1 Utama Shopping Centre and IOI Mall Puchong. The Group also maintains an electronic commerce presence through its official website, www.cheetah.com.my, and major online marketplaces, including Shopee, Lazada and TikTok.

Against the backdrop of an increasingly competitive apparel retail environment and evolving consumer shopping behaviours, the Group remains focused on strengthening its brand positioning, refreshing its product offerings and enhancing the effectiveness of its distribution channels to support its long-term business sustainability.

**Product Development and Brand Collaborations**

During the financial year ended 30 June 2026 ("FYE 2026"), the Group continued to refresh and diversify its product portfolio through the introduction of new collections designed to cater to different consumer preferences and lifestyle needs.

The Group launched its Varsity, Kool Fit and Travel Series in August, September and November 2025, respectively. In addition, traditional wear collections were introduced in conjunction with Chinese New Year and Hari Raya to cater to local cultural preferences and festive demand. Towards the end of the financial year, the Group further expanded its product offerings with the introduction of its Denim collection.

# Management Discussion and Analysis
(Cont'd)

The Group also continued to leverage intellectual property ("IP") collaborations as part of its efforts to broaden its consumer appeal, particularly among younger consumers. During FYE 2026, the Group expanded its licensed collection offerings through collaborations featuring Wonder Woman, Justice League and One Piece.

To complement these product launches, the Group undertook targeted marketing and consumer engagement activities, including promotional campaigns for the One Piece collection and participation in events such as Nihon Matsuri and AniManGaki. These initiatives provided opportunities to engage with younger audiences, strengthen brand visibility and introduce the Group's products to consumers with different interests and lifestyle preferences.

# Management Discussion and Analysis
(Cont'd)

**Strengthening Brand Engagement Through Sports and Lifestyle Initiatives**

In addition to its apparel collections, the Group continued to strengthen the positioning of CTH Unlimited in the sports and active lifestyle segment.

Building on the introduction of its pickleball series in financial year ended 30 June 2025 ("FYE 2025"), the Group organised its inaugural "Pickleball Clinic & Social" on 18 October 2025 at The Pickle Grounds, Petaling Jaya. The event featured friendly matches and was attended by Mr. Koo Kien Keat, a former World No. 1 in men's doubles badminton and an Independent Non-Executive Director of the Group.

Conducted under the CTH Unlimited brand, the initiative provided a platform for the Group to engage with the growing pickleball community and reinforce the brand's association with sports, recreation and an active lifestyle.

These activities form part of the Group's broader efforts to build brand engagement beyond conventional retail channels by connecting its product offerings with consumers' lifestyle interests.

**Two-Pronged Retail and Brand Positioning Strategy**

Recognising the challenges facing the traditional department-store retail environment, including declining footfall at certain locations and changing consumer shopping preferences, the Group continues to pursue a two-pronged product positioning and branding strategy.

The strategy seeks to maintain the relevance and competitiveness of the Group's established consignment-counter business while progressively developing standalone boutiques to reach different consumer segments and strengthen brand differentiation.

The first prong focuses on reinforcing the Group's presence in department stores and second-tier towns. This involves upgrading Point of Sale Materials ("POSM"), refreshing essential product ranges and introducing the "Essentials" positioning for products intended for this distribution channel.

Through these initiatives, the Group aims to improve product presentation, maintain the appeal of its established brands among its traditional customer base and enhance the overall shopping experience. The Group remains committed to improving the effectiveness of its existing consignment-counter network while adapting its product offerings to the needs of consumers in these markets.

The second prong focuses on developing standalone boutiques with distinct brand identities and differentiated product assortments. Under this strategy, the Group seeks to strengthen the positioning of Cheetah, CTH Unlimited, Arissa, Cheetah Kids and Cheetah Baby through more frequent collection launches, contemporary designs and product selections tailored to their respective target markets.

The standalone boutique format provides greater flexibility in merchandising, product presentation and brand communication, enabling the Group to offer a more differentiated retail experience and reach consumers with varying lifestyle preferences and purchasing power.

During FYE 2026, the Group operated two standalone boutiques as part of its ongoing efforts to develop this distribution channel. Subsequent to the financial year end, the Group entered into tenancy agreements for a further three boutiques, with openings scheduled for the third and fourth quarters of calendar year 2026.

This expansion represents a further step in the Group's efforts to strengthen its direct retail presence, enhance brand visibility and progressively develop its retail network beyond the traditional department store channel.

Consistent with this strategy, the Group continues to differentiate product designs intended for department stores from those developed for standalone boutiques. This approach allows the Group to tailor its product offerings, pricing and merchandising strategies to the characteristics and expectations of each customer segment, while supporting clearer brand positioning across its distribution channels.

**Development of Electronic Commerce**

Alongside its physical retail operations, the Group continued to develop its electronic commerce business to broaden its market reach and respond to changing consumer shopping behaviours.

During FYE 2026, the Group's online sales increased by approximately 12.8% to RM4.24 million, compared with RM3.76 million in the preceding financial year. Despite the decline in overall Group revenue, online sales continued to register growth, with their contribution to Group revenue increasing to approximately 4.03% from 3.27% in FYE 2025. This reflects the growing importance of electronic commerce as a complementary distribution channel for the Group.

To further enhance its digital retail capabilities, the Group commenced live selling activities through TikTok and Shopee. These platforms provide additional opportunities to showcase products, interact directly with consumers and promote new collections through more engaging and interactive shopping experiences.

The Group's official website, online marketplaces and social media channels continue to serve as complementary platforms for product distribution, brand communication and consumer engagement.

Moving forward, the Group will continue to explore opportunities to strengthen its electronic commerce operations and improve the integration of its online and offline retail activities as part of its broader distribution strategy.

**Subsequent Developments and Outlook**

On 14 June 2026, the Group announced its inaugural pickleball tournament under the CTH Unlimited brand. The tournament was subsequently held on 22 August 2026, following the financial year end, marking another milestone in the Group's efforts to engage with the pickleball community and strengthen CTH Unlimited's positioning in the sports and active lifestyle segment.

Looking ahead, the Group remains mindful of the challenges posed by a competitive retail environment, evolving consumer preferences and changing shopping patterns. In response, the Group will continue to focus on refreshing its product portfolio, strengthening brand differentiation, developing its standalone boutique network and expanding its electronic commerce activities.

The Group also intends to introduce additional product collections and pursue selected IP collaborations and consumer engagement initiatives to maintain the relevance of its brands and broaden their appeal across different market segments.

# Management Discussion and Analysis
(Cont'd)

Through these initiatives, the Group aims to enhance the effectiveness of its distribution channels, strengthen consumer engagement and build a more sustainable foundation for its apparel and electronic commerce businesses.

The Group will continue to evaluate market opportunities and refine its business strategies in line with prevailing market conditions, with the objective of strengthening its competitiveness and supporting long-term value creation for shareholders.

Further information on the Group's products, collections and activities is available at www.cheetah.com.my.

## FINANCIAL REVIEW

| | FYE 2026 RM'000 | FYE 2025 RM'000 | Variance RM'000 | Variance % |
|---|---|---|---|---|
| Revenue | 105,116 | 114,799 | (9,683) | (8.4) |
| Gross profit ("GP") | 33,025 | 36,787 | (3,762) | (10.2) |
| Loss after tax ("LAT") | (6,165) | (16,710) | 10,545 | 63.1 |
| GP margin (%) | 31.42 | 32.04 | | |
| (LAT) / margin (%) | (5.86) | (14.56) | | |

For FYE 2026, the Group recorded total revenue of RM105.12 million, a decrease of RM9.68 million or 8.4% as compared to the previous financial year. This decline was mainly due to the overall reduction in footfall in the retail sector.

In tandem with the decrease in revenue, the Group recorded a lower GP for the current financial year, a decrease of RM3.76 million or 10.2% as compared to the previous financial year. GP margin decreased slightly at 31.4% (FYE 2025: 32.0%).

For FYE 2026, the Group recorded a LAT of RM6.17 million, as compared to a LAT of RM16.71 million for the previous financial year. The decrease in LAT was primarily attributable to higher bad debts written off and fair value loss adjustment on quoted shares recognised in the previous financial year.

| | FYE 2026 RM'000 | FYE 2025 RM'000 | Variance RM'000 | Variance % |
|---|---|---|---|---|
| Non-current assets | 22,167 | 23,226 | (1,059) | (4.6) |
| Current assets | 83,424 | 91,192 | (7,768) | (8.5) |
| Non-current liability | 469 | 1,542 | (1,073) | (69.6) |
| Current liabilities | 5,467 | 7,055 | (1,588) | (22.5) |

Non-current assets decreased by RM1.06 million or 4.6% to RM22.17 million as compared to the previous financial year. The decrease is primarily driven by depreciation of property, plant and equipment and right-of-use assets, alongside impairment losses on property, plant and equipment, which were partially offset by the fair value gain on other investments.

Current assets decreased by RM7.77 million or 8.5% to RM83.42 million as compared to the previous financial year, largely due to a significant decrease in cash and bank balances resulting from net cash used in operating activities.

Non-current liability decreased by RM1.07 million or 69.6% to RM0.47 million as compared to the previous financial year. The decrease is mainly due to lower lease liabilities.

Current liabilities decreased by RM1.59 million or 22.5% to RM5.47 million as compared to the previous financial year. The decrease was mainly due to a decrease in trade and other payables and lower lease liabilities. The decrease in trade payables is in tandem with the lower revenue (and by extension, lower cost of sales) in FYE 2026.

## ANTICIPATED RISKS

**Competition risk**

The Group operates in a highly competitive apparel retail environment, facing competition from both established domestic retailers and international fashion brands. The continued growth of e-commerce and online apparel platforms has further intensified competition, particularly in terms of pricing, product differentiation, design innovation and customer shopping experience. These competitive pressures may affect the Group's sales performance, profit margins and market position.

To mitigate these risks, the Group continues to strengthen its brand positioning, diversify its product offerings and enhance its distribution channels. The Group is progressively developing its standalone boutique network while maintaining its presence in department stores through consignment counters. At the same time, efforts are being undertaken to strengthen its electronic commerce capabilities and expand its reach through online marketplaces and digital engagement initiatives.

Product development and brand differentiation remain key priorities. The Group continues to introduce new collections and pursue selected IP collaborations to enhance brand visibility, broaden its consumer appeal and maintain competitiveness in an evolving retail environment.

**Risk of changes in consumer preferences and fashion trends**

The apparel industry is highly influenced by evolving fashion trends and consumer preferences. Failure to anticipate or respond effectively to these changes may result in reduced demand, slower inventory turnover and increased markdowns, potentially affecting the Group's financial performance.

To mitigate this risk, the Group continuously monitors market trends and refreshes its product offerings, focusing on design, functionality, quality and affordability. The Group also adopts differentiated product positioning across its brands and distribution channels to better cater to its target consumers.

**Dependence on key personnel**

The Group's performance is closely tied to the expertise, leadership, and continuity of its key management and technical personnel. The departure of any key individuals could disrupt operations and impact financial outcomes.

To mitigate this risk, the Group offers competitive remuneration and benefits to retain key talent. Furthermore, succession planning is in place, with active efforts to develop younger managers through mentoring and hands-on exposure, ensuring leadership continuity over the long term.

**Economic risk**

Economic uncertainties arising from the volatile global economy such as inflation, geopolitical instability, rising interest rates, and foreign currency exchange rates may affect the Group's operating costs.

Nevertheless, the Group will remain vigilant in the current economic condition by monitoring and reviewing its business plans and strategies.

## FUTURE PROSPECTS

For the next financial year, the Board is cautiously optimistic about the future prospects of the Group. The Board expects growth to be driven by the following factors:

**(i) Rising disposable income**

With the increasing disposable income of individuals in Southeast Asia and Malaysia, the demand for fashion apparel has witnessed significant growth. Consumers are willing to spend more on trendy apparel, which gave rise to the growth of the fashion market in this region. The easy access to affordable fashion clothing has also contributed to the market's growth;

**(ii) Changing fashion trends**

Fashion trends in Southeast Asia are constantly evolving, and consumers are always looking for the latest styles and designs. With the rise of fast fashion, fashion brands are offering a wide range of apparel that keeps up with the latest trends and are responsive to changing consumer preferences. The Group's response to this phenomenon is apparent in its initiative in creating new labels and collaboration with other brands;

**(iii) Growth of e-commerce and retail network expansion**

The continued adoption of online shopping provides opportunities for the Group to expand its market reach. The Group will continue to strengthen its electronic commerce operations through online marketplaces, live selling and digital marketing initiatives.

In parallel, the Group will progressively expand its standalone boutique network while maintaining its presence in department stores through consignment counters. This two-pronged approach is intended to strengthen the Group's retail presence and cater to different consumer segments.

**(iv) Strategic collaboration with established franchises**

The Group will continue to pursue selected IP collaborations with established franchises including One Piece and Harry Potter to enhance brand visibility and broaden its consumer appeal. For financial year ending 30 June 2027, the Group will further expand its licensed product portfolio with the introduction of a new collaboration featuring Haikyu.

The Group will continue to explore selected IP collaborations to introduce differentiated product offerings, strengthen brand relevance and support its long-term growth strategy.

Internally, the Group remains mindful of rising operating costs, including raw materials, labour, logistics and other business expenses. Prudent cost management, inventory planning, operational efficiency and the evaluation of marketing effectiveness will remain key priorities. The Group will also continue to explore opportunities for automation and process improvements to enhance productivity and cost efficiency.

Moving forward, the Group will remain focused on adapting to market developments, strengthening its distribution channels and pursuing business opportunities that support its long-term competitiveness and sustainable growth.

# SUSTAINABILITY STATEMENT

## INTRODUCTION

The Board of Directors ("Board") of Cheetah Holdings Berhad ("Cheetah") is pleased to present this Sustainability Statement ("Statement") for the financial year ended 30 June 2026 ("FYE 2026"). This Statement highlights the sustainability initiatives, progress, and performance of Cheetah and its subsidiaries ("Cheetah Group" or the "Group") throughout the year.

The Statement reflects our ongoing efforts to integrate sustainability practices into our business operations, aligning with both our stakeholders' expectations and the Group's long-term objectives. Our sustainability initiatives are focused on the matters that are material to the Group's value creation in the short- and long-term. These matters include, amongst others, environmental, social, and governance aspects, which are integral to the Group's business objectives and strategies.

To ensure the continued relevance and effectiveness of our sustainability efforts, a comprehensive materiality assessment was conducted this year. This assessment process incorporated feedback from key stakeholders and addressed the comments of our Management Team ("MT"), thereby guiding our approach to managing sustainability risks and opportunities, focusing on material sustainability matters ("MSMs").

## REPORTING FRAMEWORKS AND STANDARDS

This Statement has been prepared in accordance with the Main Market Listing Requirements ("MMLR") of Bursa Malaysia Securities Berhad ("Bursa Securities"), with reference to the Bursa Malaysia Sustainability Reporting Guide (3rd Edition) as a key framework. It also references the United Nations Sustainable Development Goals ("UNSDGs").

## REPORTING SCOPE AND BOUNDARIES

This Statement covers the reporting period from 1 July 2025 to 30 June 2026, and it includes comparative historical data where relevant and available to provide context and continuity in our disclosure.

As of 30 June 2026, the Group operates 638 consignment counters, including 11 consignment counters in Brunei, along with 1 warehouse, and 2 boutiques in Malaysia. Unless stated otherwise, the data presented in this Statement encompasses all business activities and locations of the Group, including the 2 subsidiaries.

## INDEPENDENT ASSURANCE

While we have not conducted independent assurance on the information provided in this Statement, we remain dedicated to disclosing accurate and transparent data. Moving forward, we are committed to enhancing the accuracy and quality of our disclosures. To achieve this, we intend to subject the indicators to independent assurance progressively in the next coming years.

## FEEDBACK ON THE REPORT

As part of our ongoing commitment to continuous improvement, we aim to enhance the depth, accuracy, and transparency of our sustainability reporting with each annual cycle. We greatly value the perspectives of our stakeholders and welcome any questions, feedback, or suggestions that may contribute to the refinement of our sustainability practices and disclosures. Stakeholders are encouraged to share their input via email at sustainability@cheetah.com.my.

## OUR SUSTAINABILITY APPROACH

Cheetah's vision is to be a reputable diversified company that offers varieties of lifestyle products and services in Asia, while our mission is to satisfy customer's with high quality lifestyle needs, providing an equitable return to stakeholders, and recognising team's effort. These guiding statements form the foundation of our sustainability approach.

We view sustainability as integral to our long-term growth and resilience. By embedding responsible practices into our operations, we strive to balance business performance with environmental stewardship and social responsibility. This includes minimizing our footprint through efficient resource use, fostering a safe and inclusive workplace, and contributing positively to the communities we serve.

Through this commitment, Cheetah Holdings Berhad ensures that sustainability is not an isolated initiative but a core element of our corporate strategy, enabling us to deliver enduring value to shareholders, employees, customers, and society at large.

## SUSTAINABILITY GOVERNANCE

Cheetah Group's sustainability strategies, initiatives, and their integration into business strategies are managed through an established governance structure that promotes accountability and responsibility in driving business sustainability.

The governance structure for overseeing the Group's sustainability efforts is outlined as follows:

The Board holds the ultimate responsibility for the Group's sustainability practices and performances. This includes:

- ensuring the Group's short and long-term corporate strategy includes sustainability considerations, including economic, environmental, social, and governance matters;
- ensuring the Group's sustainability governance structure supports the Group's corporate strategy and sustainability strategies;
- ensuring the Group engages effectively with key stakeholders, including ensuring the Group's sustainability strategies, priorities, targets, and performance are communicated to internal and external stakeholders; and
- approving the Group's sustainability strategies and monitoring the performance of the Group's key sustainability aspects.

Audit and Risk Management Committee ("ARMC"), a Board Committee comprising solely of Independent Directors, assists the Board in:

- reviewing the Group's sustainability strategies and their alignment with the Group's corporate strategy;
- reviewing the MSMs identified by the Sustainability Management Committee and the management of these matters;
- reviewing the implementation and performance of the Group's sustainability strategies and initiatives; and
- monitoring the Group's sustainability performance and issues presented by the MT.

The MT, which is comprised of relevant Heads of Department and chaired by the Executive Committee, is mainly responsible for:

- leading and monitoring the implementation of the Group's sustainability strategies and initiatives, including the management of economic, environmental, social, and governance risks, by the respective departments and functions;
- overseeing the Group's engagement with key stakeholders;
- assessing and reviewing the Group's MSMs and developing or proposing strategies to address the MSMs, including setting indicators and targets; and
- reporting sustainability initiatives and performance to the Board on an annual basis.

Each of the Group's functions and departments are responsible for:

- implementing the Group's sustainability strategies and initiatives to address the MSMs;
- carrying out relevant engagement activities with the Group's stakeholders; and
- driving the achievement and performance of the Group's management of MSMs.

## ENGAGEMENT WITH KEY STAKEHOLDERS

Cheetah Group recognises its responsibility towards all stakeholders, including shareholders, employees, and customers. The Group understands that its long-term success depends on understanding stakeholder interests and making appropriate decisions to address them. To facilitate this, the Group has established various channels to engage with stakeholders, for various purposes including to communicate the Group's policies and directions or to gather stakeholders' views or input.

The Group employs a range of engagement strategies and methods to engage with its key stakeholders, customising the engagement channels to support the Group's stakeholder engagement objectives. The stakeholder engagement activities are conducted by the respective departments and functions, with significant issues and concerns of the stakeholders being highlighted to the MT. The outcomes from these engagements are also considered in the Group's materiality assessments.

## MATERIAL SUSTAINABILITY MATTERS

In addressing the Group's sustainability matters, including economic, environmental, social, and governance aspects, Cheetah Group identifies the most material matters through a materiality assessment process.

The Group's materiality assessment process is guided by the Bursa Malaysia's Sustainability Reporting Framework.

The Group's materiality assessment comprises the following key processes:

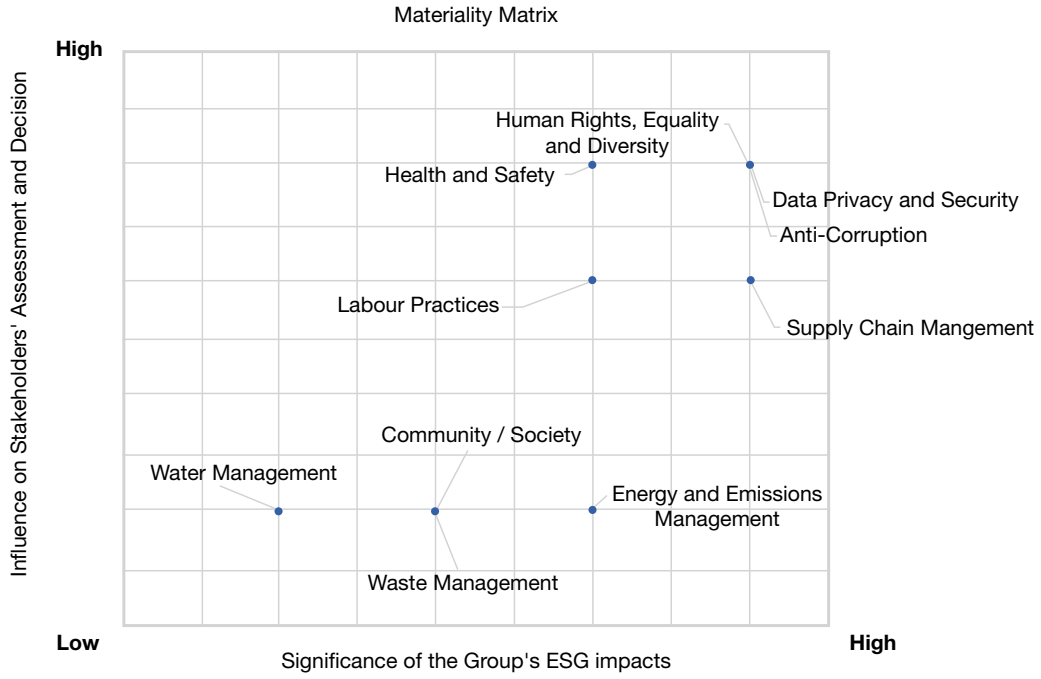

1. **Identification** - Identify sustainability issues relevant to the Group's business and stakeholders, including issues and concerns raised via the Group's various stakeholder engagements.
2. **Prioritisation** - Analyse and prioritise the sustainability issues by taking into consideration the impact on the Group's short-term and long-term targets, and the interest of the Group's key stakeholders.
3. **Validation** - Validate and deliberate the sustainability issues with relevant Heads of Department and Function, and devise action plans as necessary to manage the sustainability issues.

A materiality assessment is a process that facilitates the identification, assessment, and prioritisation of sustainability matters, where a matter is material if it:

- reflects the Group's significant economic, environmental, and social impact; and/or
- substantive influences the assessments and decisions of stakeholders.

Cheetah Group undertook a comprehensive materiality assessment process during the financial year under review. The materiality assessment considered both the Group's internal perspectives and the insights of our key stakeholders. This assessment is designed to identify and prioritise the sustainability matters that are most material to our business and stakeholders. To ensure the continued relevance of our MSMs, a general materiality assessment review will be carried out annually, allowing us to regularly review and adjust our MSMs in response to evolving business conditions, stakeholder expectations, and emerging sustainability trends. This approach ensures that our sustainability initiatives remain aligned with the Group's objectives and the broader expectations of the communities we serve.

## ECONOMIC

### Financial Sustainability

At Cheetah Group, financial sustainability is a cornerstone of our business strategy, reflecting our ongoing efforts to maintain profitability while ensuring long-term sustainability. Our efforts towards financial sustainability are demonstrated through cost-effective practices such as optimising supply chains, reducing waste, and sourcing sustainable materials. These efforts not only help us to reduce costs but also align with the growing consumer demand for eco-friendly products, thereby strengthening our market position.

Details of the Group's financial performance and financial position are disclosed in the Management Discussion and Analysis and the audited Financial Statements in our Annual Report FYE 2026.

**Product competitiveness**

Starting from humble beginnings in 1977, Cheetah introduced the "CHEETAH" brand in 1979 and has since expanded its portfolio to include Cheetah Men, Cheetah Women, Cheetah Kids, Cheetah Baby, CTH Unlimited, PANBASIC, SdR (SOCIEDAD de REVOLUCION) and Arissa. The diverse range of brands and product positioning allows the Group to cater to a wide range of consumer categories effectively. Throughout the years, we invested in quality, design, and digital presence, which align closely with the Group's Mission to satisfy customers' high-quality lifestyle needs. At the same time, we continue to make efforts to enhance our product competitiveness through an ongoing understanding of the market and the consumers.

In FYE 2026, the Group continued to build on its strategy of broadening its consumer base, particularly among the younger generation. Building on the momentum of its anime and popular culture strategy, the Group further diversified its intellectual property ("IP") portfolio through new apparel collaborations featuring Wonder Woman, Justice League and One Piece. These collaborations enabled the Group to introduce fresh and culturally relevant designs while strengthening its connection with younger consumers and enhancing the appeal of its product offerings. In particular, the One Piece collaboration was further supported by marketing campaigns aimed at increasing consumer engagement and brand visibility.

Beyond product collaborations, the Group continued to strengthen its engagement with the public through participation in major cultural and entertainment events. In addition to its annual participation in Nihon Matsuri, the Group also participated in AniManGaki, providing further platforms to showcase its products, engage directly with consumers and increase public recognition of its brands. These initiatives form part of the Group's continued efforts to build stronger consumer connections and enhance brand visibility among younger and culturally engaged audiences.

# Sustainability Statement
(Cont'd)

The Group also sought to broaden the relevance of its product offerings by incorporating traditional and culturally inspired designs into its collections. During the year, the Group introduced traditional wear collections for Chinese New Year and Hari Raya, allowing the Group to respond to seasonal consumer preferences while extending its product offerings beyond its established casual and lifestyle apparel. These collections also demonstrate the Group's efforts to combine its established apparel capabilities with local cultural relevance and festive consumer occasions.

The Group also enhanced its digital retail engagement during FYE 2026 by commencing live sales activities through TikTok and Shopee. This initiative provides the Group with additional avenues to interact directly with consumers, showcase products in real time and complement its existing e-commerce operations. The adoption of live-commerce also enables the Group to respond to evolving consumer purchasing behaviours and strengthen its digital presence across established e-commerce platforms.

The Group's continued focus on IP collaborations, cultural relevance, consumer engagement and live-commerce reflects its broader strategy to remain relevant in an evolving fashion landscape. By combining established brands and IPs with new collaborations, engaging consumers through physical and digital platforms, the Group seeks to enhance brand visibility, deepen consumer relationships and build a more diversified business platform for future growth.

**Supply chain management**

We incorporate sustainability considerations in the materials used in our products, exploring the use of recycled and recyclable materials in some of our product series. We acknowledge the importance of using sustainable materials towards minimising environmental impact, and this is also aligned with our sustainability goal of reducing our carbon footprint.

It is also important for us to strike a balance between the use of sustainable materials, product pricing, product portfolio, and market presence. We will continue to make efforts to achieve a balanced development in all aspects while striving to promote sustainable products.

We introduced a collection that integrates sustainable elements, including recycled fabrics, across multiple brands including Cheetah Men, Cheetah Women, Cheetah Kids, CTH Unlimited, and Arissa, reflecting our efforts toward sustainable fashion. This approach not only meets the rising consumer demand for eco-friendly products but also positions Cheetah Group as a responsible apparel company.

Furthermore, where possible, the Group supports local economies by procuring from local suppliers. During the financial year under review, all of our trade goods were sourced locally. Through local procurement, we are able to contribute to reducing the environmental impacts associated with transportation while contributing to the economic growth of communities where we operate.

| | FYE 2025 | FYE 2026 |
|---|---|---|
| Proportion of spending on local suppliers | **99.55%** | **100.00%** |

During FYE 2026, the Group focused its social impact strategy on domestic economic empowerment and job creation. By directing 100% of our procurement spend to local vendors and maintaining stable employment across our retail and warehousing network, Cheetah Group actively supported local livelihoods and supply chain resilience. As our financial fundamentals continue to strengthen, we remain committed to exploring direct community investment and social outreach initiatives in future reporting cycles.

**Digital presence**

The fast fashion market has grown increasingly competitive with the rise of online shopping. At Cheetah, we continued to develop and expand our brand's online presence, both via our own e-commerce stores and online shopping platforms.

| Brand stores | Online shopping platforms |
|---|---|
| • www.cheetah.com.my | • Shopee<br>• Lazada<br>• TikTok |

Moreover, we continue to enhance brand awareness online and increase website traffic to connect with both existing and potential customers. Throughout the year, we maintained our digital presence across social media platforms, including Facebook, Instagram, and Linkedin, to engage with our customers and keep them informed about our brands.

The Group continues to explore and experiment with different strategies, seeking effective approaches to have product offerings, marketing strategies, and branding strategies that effectively resonate with its target customers. During this exploratory phase, the Group focuses on familiarising with the spending patterns of apparel consumers, as well as the overall market, to develop strong fundamentals towards stronger market position, optimised product assortment, and improved customer experience in the longer term.

In FYE 2026, the Group recorded an e-commerce revenue of RM4.24 million, reflecting an increase of 13% compared to FYE 2025.

| | FYE 2024 | FYE 2025 | FYE 2026 |
|---|---|---|---|
| E-commerce revenue (RM'000) | 3,309 | 3,758 | 4,240 |

## ENVIRONMENTAL

Cheetah Group's operations generally do not have significant direct environmental impacts due to the limited use of water and insignificant generation of hazardous waste or pollutants. However, we are proactively working to better understand and quantify our environmental impacts, in addition to meeting the sustainability disclosures prescribed by the enhanced MMLR requirements.

### Energy and Emissions Management

In FYE 2026, we have enhanced our efforts in monitoring and reporting energy consumption by collecting data on fuel consumption for the Group's vehicles. We also continued to gather data on electricity purchased via electricity bills and tracked the amount of solar-based generated electricity we consumed.

**Energy and emissions reduction and efficiency**

We undertake measures to reduce electricity usage via various initiatives aimed at minimising unnecessary consumption and enhancing energy efficiency.

For our retail store and consignment businesses, we evaluate the logistics activities at each location to develop delivery plans that optimise load and balance the needs to maintain desirable stock levels for these locations. We plan delivery schedules in advance to minimise waiting times and avoid traffic, where possible.

# Sustainability Statement
(Cont'd)

Within our premises, we promote responsible electricity use by implementing practices such as turning off lights when not in use, adjusting air conditioner temperatures according to the weather, and utilising natural light and ventilation where possible.

Our target for FYE 2026 was to source at least 40% of the office's electricity from renewable energy. We exceeded this goal, achieving 44% renewable energy usage, largely driven by self-generated electricity from our solar panel system and revenue from selling excess solar energy. This solar generation also contributed to lowering indirect emissions associated with purchased electricity.

Our electricity needs are complemented by a solar panels power generation system which is installed at our headquarters building. It helps us to generate clean energy and excess energy generated is transferred to the energy supplier, Tenaga Nasional Berhad ("TNB"), and is used to offset our electricity bills. The Group's energy consumption for FYE 2026 is summarised as follows:

| | FYE 2024 | FYE 2025 | FYE 2026 |
|---|---|---|---|
| | MWh | MWh | MWh |
| Petrol consumption | 43.933 | 31.242 | 26.616 |
| Diesel consumption | 204.304 | 168.769 | 114.615 |
| Purchased electricity [1] | 164.835 | 142.134 | 192.202 |
| Solar-based electricity generated and consumed | 184.889 | 175.720 | 150.359 |
| **Total energy consumption** | 597.961 | 517.865 | 483.792 |
| Total energy sold to TNB | 117.933 | 75.110 | 77.043 |

In this Statement, we begin to report our greenhouse gas emissions, primarily arising from fuel consumption and purchased electricity, together with selected Scope 3 emissions from business travel and employee commuting. During FYE 2026, the Group recorded approximately 184 tonnes of $CO_2e$ from Scope 1 and Scope 2 emissions, while Scope 3 emissions from business travel and employee commuting amounted to 101 tonnes of $CO_2e$. In FYE 2026, the Group generated 227,402 kWh of electricity through its solar panel power generation system, of which 77,043 kWh of excess electricity was exported to the TNB grid.

| | | FYE 2024 | FYE 2025 | FYE 2026 |
|---|---|---|---|---|
| | | $tCO_2e$ | $tCO_2e$ | $tCO_2e$ |

| | Diesel consumption | 51.388 | 42.450 | 28.829 |
| Scope 2 Emissions | Purchased electricity [3] | 124.945 | 107.737 | 148.764 |
| Scope 3 Emissions | Business travel and employee commuting [2, 4] | NA | 106.664 | 100.634 |
| Total emissions | | 187.060 | 264.479 | 284.725 |

[1] Electricity consumption data is based on electricity bills for the Group's headquarters and warehouse. Electricity consumed at consignment counters operated within departmental stores is not included, as electricity supply and billing are managed by the respective departmental store operators, and counter-specific consumption data is not separately available to the Group.

[2] FYE 2024, FYE 2025 and FYE 2026 emissions data from petrol and diesel are using GHG Protocol. Reference: Transport_Tool_v2, https://ghgprotocol.org/calculation-tools-and-guidance.

[3] Grid Emission Factor ("GEF") for Peninsula Malaysia in 2022, published by the Energy Commission of Malaysia, is used to estimate the emissions associated with purchased electricity. 2022 GEF data is the latest available as of the preparation of this Statement.

[4] Petrol consumption data began to be collected in FYE 2025.

### Water Management

Water at our premises is primarily used for domestic purposes. We source all our water from municipal sources through the municipal water supply system and discharge wastewater via the municipal sewerage system. In FYE 2026, our operations consumed a total of 5.575 megalitres ("Ml") of water. The water use data is estimated based on our water bills.

| | FYE 2024 | FYE 2025 | FYE 2026 |
|---|---|---|---|
| | Ml | Ml | Ml |
| Water use | 6.975 | 5.583 | 5.575 |

**Waste Management**

The waste generated by the Group primarily consists of packaging waste from our packaging and repackaging activities. Recognising the importance of responsible waste management, the Group continued to monitor its waste generation and disposal practices, with an emphasis on promoting recycling and reducing waste directed to disposal.

During FYE 2026, the Group generated a total of 19.67 MT of waste, comprising 17.11 MT of carton boxes, cardboard, and paper, along with 2.56 MT of plastic, wrappers, nylon straps, foamboard, and other materials. Of this total waste generated, 11.75 MT of carton boxes, cardboard, and paper were recycled. A further 5.36 MT of paper-based materials was directed to landfill, while the disposal method for the remaining 2.56 MT of other materials could not be determined based on available records.

As part of our commitment to sustainability, we have successfully achieved our sustainability goal of placing recycling bins in our offices and warehouse to promote the practice of the 3R – reduce, reuse, and recycle – among our employees in their daily routines. This initiative complements our ongoing efforts, such as double-sided printing and the use of recycled carton boxers for stock packaging. Furthermore, we also conducted an employee awareness session focused on adopting 3R practices to ensure that our employees are fully engaged in our sustainability initiatives and are equipped with the knowledge to incorporate these practices into their everyday work activities.

## SOCIAL

### Human Rights, Equality, and Diversity and Labour Practices

At Cheetah Group, we hold a deep respect for and are committed to protecting the fundamental human rights of all our employees. This commitment is not just a statement but is embodied in our strict adherence to all applicable laws and regulations related to employment and labour practices. We ensure compliance with legal standards governing minimum wage, reasonable working hours, and the strict prohibition of forced labour or child labour. We recognise and respect the rights of our employees to freedom of association and collective bargaining, and we uphold these rights, ensuring that employees can exercise them without any form of restriction.

# Sustainability Statement
(Cont'd)

Our commitment to human rights extends to our principles of non-discrimination and equal opportunities, which are integral to every aspect of our employment activities, such as recruitment, performance appraisals, promotions, as well as disciplinary actions. The Group does not discriminate against anyone based on age, gender, ethnicity, or religion. Instead, we ensure that all employment activities, including those related to professional development and career advancement, are made fairly and transparently based on merits, qualifications, experience, and achievements.

At the Board and Senior Management level, our commitment to diversity is reinforced by the Board's establishment of a Gender Diversity Policy, ensuring that gender equality is prioritised in our governance practices. To promote a workplace that is free from discrimination and harassment, we have implemented policies within our Employee Handbook. This handbook has been circulated among all employees with the expectation that every employee in the Group upholds these standards and contributes to a respectful and inclusive working environment. Apart from that, the Group also encourages employees to raise any concerns with their supervisor or the Human Resource Department.

**Employee Data**

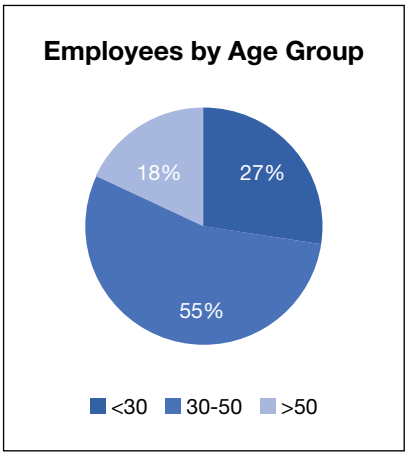

As of 30 June 2026, Cheetah Group employs a total workforce of 768 employees. Of these, 87% are full-time permanent employees, 11% are part-time permanent employees, and 2% are full-time contract employees. Notably, all our employees are locally based, and we do not engage any contractors or temporary staff.

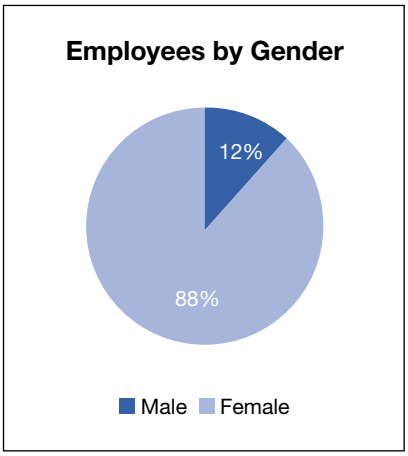

Our workforce composition varies according to the nature of the work in different areas of the Group. In our warehouses, where the tasks are labour-intensive, the majority of our employees are male. On the other hand, our retail environments, including stores and consignment counters, are mostly staffed by female employees, aligning with the customer-facing and service-oriented nature of these roles.

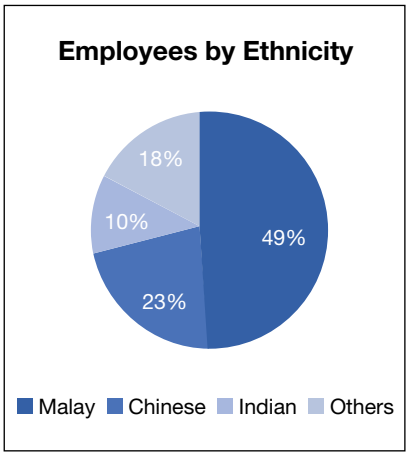

The detailed breakdown of our workforce by gender and age, as of 30 June 2026, is summarised as follows.

## Employee Training and Development

At Cheetah Group, we place a strong emphasis on encouraging and supporting the personal growth and development of our employees. We believe that investing in our employees' development is crucial to the long-term success of the Group. Employment development is also part of the Group's succession planning, ensuring that we have a pipeline of talents and leaders to sustain the Group's progress over the long term.

We also provide induction for new employees, equipping them with the relevant skills and knowledge they need to perform their roles effectively. This induction is designed not only to familiarise new employees with their specific job requirements but also to integrate them into the company's culture and values.

The Group Human Resources Department is responsible for developing the annual training plan, which is tailored to the specific needs of our various functions and personnel. This plan is developed through the assessment process and takes into account the results of the annual performance appraisals conducted for all employees.

During the financial year under review, the Group provided a diverse range of training opportunities, totalling 2,226 training hours for our employees. The training covered both technical and non-technical skills for our employees.

## Talent Retention

In addition to focusing on talent development, Cheetah Group places a significant emphasis on talent retention as a cornerstone of its human resource management strategy. The Group aims to attract and retain talent by offering competitive remuneration and benefits packages that are aligned with employees' roles and responsibilities. To ensure our offerings remain competitive, we continuously monitor industry standards and refer to guidelines in the Malaysian Employers Federation Survey for both Executives and Non-Executives, as well as other relevant sources.

To further motivate and recognise employee performance, the Group offers performance bonuses and provides career advancement opportunities. Performing employees are also given the chance to broaden their skills and experiences through internal transfers or promotions.

During the financial year under review, the Group experienced employee turnover and new hires, the details of which are presented in the following table. The turnover was primarily attributed to organisation restructuring, staff retirement, and fast turnover among frontline staff. In response, we have undertaken our recruitment efforts to ensure that we continue to attract and retain talent in the industry.

## Employee Engagement, Recognition and Appreciation

Recognising the importance of employee engagement and appreciation, Cheetah Group continued to foster a positive and inclusive workplace culture through various initiatives during FYE 2026. The Group organised a team-building programme aimed at strengthening teamwork, communication and collaboration among employees. The programme provided opportunities for employees to interact beyond their daily work responsibilities, fostering stronger relationships, mutual understanding and team spirit.

In addition, the Group hosted Cheetah Heritage Night, an appreciation dinner celebrating the dedication, loyalty and contributions of its employees. During the event, 17 employees received Long Service Awards in recognition of their more than 30 years of service, while 8 employees received Perfect Attendance Awards in appreciation of their commitment, consistency and dedication.

Through these initiatives, Cheetah Group aims to cultivate a culture of appreciation, strengthen employee engagement and foster a sense of belonging, while recognising the valuable contributions of employees towards the Group's continued growth and success.

## Occupational Safety and Health

We are committed to maintaining a safe and healthy work environment for all our employees, aligning this commitment with the Group's Code of Ethics and Conduct. Through a risk-based approach, the Group has proactively identified areas of occupational safety and health risks and potential hazards, implementing controls to protect our workforce.

While our business operations generally do not expose employees to high safety-related risks, we recognise that occupational safety and health remain a crucial aspect of our responsibility. The overall exposure to safety risks is relatively low; however, specific areas such as our warehouses have a relatively higher risk profile due to the nature of the work, which involves the handling of heavy products.

# Sustainability Statement
(Cont'd)

This year, we have established an Occupational Health and Safety Committee ("OSHC") which is responsible for reviewing and updating key standard operating procedures ("SOPs") to incorporate safety and health controls. To further support our commitment, we provide ongoing safety and health training to our employees, equipping them with the necessary knowledge and skills to operate safely and respond effectively to potential risks.

| | FYE 2025 | FYE 2026 |

### Fire Safety Awareness and Emergency Preparedness

As part of our ongoing commitment to workplace safety and emergency preparedness, Cheetah Group organised a fire drill during FYE 2026 in collaboration with the Fire and Rescue Department of Malaysia (Bomba).

The programme involved the participation of Bomba personnel, supported by the presence of a fire engine. During the session, Bomba officers conducted a fire safety awareness briefing and provided practical demonstrations on the proper use of fire extinguishers and safe methods of extinguishing fires. The initiative aimed to enhance employees' understanding of fire hazards, appropriate emergency responses and essential fire safety procedures.

Through this initiative, the Group aims to enhance employees' awareness of fire hazards, strengthen emergency preparedness and foster a proactive safety culture across the organisation.

### Employee Health and Well-being – Health Day

As part of its ongoing commitment to promoting employee health and well-being, Cheetah Group organised a Health Day during FYE 2026 to encourage employees to adopt healthier lifestyles and raise awareness of the importance of preventive healthcare.

The programme commenced with a morning aerobics session to promote physical activity and encourage an active lifestyle, followed by a blood donation drive, a nutrition awareness talks and basic health screenings. These activities provided employees with opportunities to gain valuable insights into healthy living, better understand their personal health conditions and contribute positively to the community through blood donation.

Through this initiative, the Group aims to foster a health-conscious workplace culture, encourage employees to take a proactive approach towards their physical well-being and reinforce its commitment to creating a healthier and more supportive working environment.

## GOVERNANCE

### Ethical Business Practices

**Anti-Bribery and Anti-Corruption**

Cheetah Group upholds a zero-tolerance approach towards all forms of bribery and corruption, reflecting our commitment to ethical conduct and integrity across all levels of the organisation. The Board of Cheetah has established this stance via the Group's Anti-Bribery and Anti-Corruption Policy ("ABAC Policy"), which is implemented and applies to all Directors, employees, and business associates. The ABAC Policy strictly prohibits any form of bribery, whether it involves the offering, giving, or accepting of bribes. It also provides guidance on managing high-risk transactions, including gifts, hospitality and entertainment, and donations and sponsorships. Additionally, the ABAC Policy also prohibited facilitation payments.

In addressing bribery and corruption risks, Cheetah Group employs a risk-based approach. This involves conducting a corruption risk assessment across all operations and activities within the Group, with the aim of identifying and mitigating areas with high-risk exposures. The assessment covers all operations of the Group and is reviewed annually to ensure that the Group's operations remain aligned with high standards of integrity.

| | FYE 2024 | FYE 2025 | FYE 2026 |
|---|---|---|---|
| Operations assessed for corruption-related risks | 100% | 100% | 100% |

To effectively mitigate corruption risks, the Group has implemented procedures and controls that are integral to its operations. These measures include the segregation of duties, clearly defined limits of authority, monitoring activities, as well as due diligence checks on new employees and new business relationships, including suppliers and service providers.

Cheetah Group places significant emphasis on ongoing communication with its stakeholders to raise the Group's stance against corruption and bribery. All employees and key business associates have been communicated on the ABAC Policy which is made publicly accessible on Cheetah's corporate website. To further bolster our anti-corruption efforts, training is provided to employees in positions identified as high-risk through the corruption risk assessment.

The following table provides a summary of the Directors and employees who have received communication and training on anti-corruption as of 30 June 2026.

| | 30 June 2024 | 30 June 2025 | 30 June 2026 |

| Front liner | 701 (100%) | 694 (100%) | 628 (100%) |

**Data Privacy and Security**

Cheetah Group prioritises data privacy and security, ensuring that both customer and employee data are handled with the utmost care to maintain trust and integrity in all our business operations. In addition, the Group strictly adheres to the Personal Data Protection Act 2010 ("PDPA") by implementing policies and procedures that govern the collection, use, and disclosure of personal data.

Our service providers or business partners for our online retail business also have relevant controls designed to safeguard customer data and data security, enhancing the security and integrity of data and personal data handling for our online business channels.

Apart from that, regular data protection training programmes are provided to all employees to ensure awareness and compliance with relevant laws and regulations. Routine audits and assessments are conducted to assess the effectiveness of our security measures and to implement continuous improvements.

| | FYE 2025 | FYE 2026 |
|---|---|---|
| Number of substantiated complaints concerning breaches of customer and employee privacy and losses of data | – | – |

**Whistleblowing**

To ensure the integrity and ethics of the Group's business operations, we have established a structured whistleblowing channel to facilitate the reporting of any illegal activities, misconduct, or wrongdoings. This whistleblowing mechanism is formalised through the Whistleblowing Policy and Procedures ("WPP"), which has been approved by the ARMC and is under the purview of the ARMC.

The WPP is designed to protect the confidentiality of whistleblowers, offering them protection from any form of retaliation within the Group. The WPP does not discourage or prohibit anonymous reporting, thereby encouraging individuals to come forward without fear of retribution. The WPP provides details of how reports can be made, how they will be handled, and the steps taken to ensure investigation and resolution of reported issues. The WPP is available on Cheetah's corporate website.

In FYE 2026, the Group is pleased to report that there were no confirmed incidents of corruption and zero complaints or cases relating to customer privacy, human rights violations, or non-compliance.

# CORPORATE GOVERNANCE OVERVIEW STATEMENT

The Board of Directors ("the Board") of Cheetah Holdings Berhad ("the Company") fully supports the spirit of the Malaysian Code on Corporate Governance 2021 ("MCCG 2021") and is pleased to present the following report on the Company's application of principles and practices as set out in the MCCG 2021 and other applicable laws, rules and regulations during the financial year ended 30 June 2026 ("FYE 2026").

The Corporate Governance Report of the Company can be downloaded from the Company's website at www.cheetah-online.com.

## THE BOARD OF DIRECTORS

### The Board

The Board, guided by the Company's Board Charter, is responsible for overseeing the strategic direction, business operations, financial performance and corporate governance of the Group. The Board also oversees the adequacy and effectiveness of the Group's risk management and internal control systems to ensure the long-term sustainability of the Group's business.

The day-to-day operations of the Group are managed by the Executive Director and the Management Team, comprising the respective Heads of Department and under the leadership of the Executive Committee ("EXCO"). The Management Team is accountable to the Board for the implementation of the Group's strategies and the achievement of its operational and financial objectives.

### Composition and Balance of the Board

The Board comprised of individuals drawn from varied professions and specialisations. There were changes in the Board composition during the financial year under review and the current composition of the Board consists of the following individuals:

- One (1) Independent and Non-Executive Chairman;
- One (1) Executive Director; and
- Three (3) Independent Non-Executive Directors.

The Board has complied with Paragraph 15.02 of the Main Market Listing Requirements ("MMLR") of Bursa Malaysia Securities Berhad ("Bursa Securities"), which requires that at least two (2) Directors or one-third (1/3) of the Board, whichever is higher, are independent directors.

The Independent Directors provide the necessary checks and balances on the decision-making process of the Board, and also provide independent and objective judgement as well as impartial opinion on Board deliberations and decision making and significant contributions of the Independent Directors are evidenced on their participation as members of the Board Committees.

The size and composition of the Board is balanced to reflect the interests of the shareholders in the Company. The Board acknowledges that gender diversity is one of the key attributes to an effective and balanced board. In this regard, it is committed to having female representation on the Board and the Board currently has one (1) female member.

The Board believes in equality and equal opportunity to be given to an individual whether for appointment as a director or employment within the Group, based on objective criteria and merit.

The Board has adopted a Gender Diversity Policy on 21 September 2018 to provide a framework for promoting gender diversity at Board level. Currently, one (1) of the five (5) Directors is female, representing 20% of the Board's composition. The Board acknowledges the recommendation under Practice 5.9 of the MCCG 2021 for at least 30% female representation and will continue to consider suitably qualified female candidates for future Board appointments.

## THE BOARD OF DIRECTORS (CONT'D)

**Reinforce Independence**

The existence of the Independent Directors on the Board itself does not ensure absolute unbiased judgement as it can be compromised by familiarity with the other Board members. In this connection, the Board has undertaken an annual assessment of the independence of the Independent Directors via disclosed interests and the criteria for assessing their independence were set by the Nomination Committee as approved and adopted by the Board. The current Independent Directors of the Company have fulfilled the criteria of "independence" as prescribed under Chapter 1 of the MMLR.

The Board is confident that the Independent Directors themselves, having provided all the relevant confirmations on their independence, will be able to determine if they can continue to be independent and give objective judgement on Board deliberations and decision making.

The Board recognises the importance of maintaining the independence of its Independent Non-Executive Directors. The tenure of Independent Directors is reviewed in accordance with the Company's Board Charter and the applicable regulatory requirements.

Dato' Tea Choo Keng has served as an Independent Non-Executive Director for more than nine (9) years. The Board intends to seek shareholders' approval for his retention as an Independent Non-Executive Director at the forthcoming AGM, subject to the applicable requirements.

**Duties and Responsibilities**

The Board is guided by the Board Charter which provides reference for the Directors in discharging their duties, roles and responsibilities to shareholders of the Company and which includes, among others, the following salient terms:

- Providing entrepreneurial leadership to the Company and the Group in order to steer the strategic direction of the Group according to its core values, vision and mission;
- Overseeing the overall conduct of the Company's business and that of the Group and promoting a culture of corporate governance, corporate responsibility and sustainability;
- Reviewing the adequacy and integrity of internal control systems including systems for compliance with applicable regulations, rules and guidelines within the Group; and
- Assessing the effectiveness of the Board, Board Committees and individual Directors.

Although the Board expects its members to be committed to the Company's affairs and operations, it does not restrict its members from being Directors of other companies. All Directors would immediately notify the Company Secretaries and the Company should they accept a new directorship in another company.

A copy of the Board Charter can be viewed at the Company's website at www.cheetah-online.com. The Board Charter will be reviewed from time to time to ensure that it remains consistent with the Board's objectives and current practices.

**Code of Ethics and Conduct**

The Board of Directors has formalised a Code of Ethics and Conduct that provides the standards of conduct required for all Directors, Management and staffs of the Company with the objective of ensuring their proper behaviour and ethical conduct within the Company and the Group. This is in line with the Board's commitment to uphold the spirit of accountability and social responsibility within the Group.

## THE BOARD OF DIRECTORS (CONT'D)

**Whistleblowing Policies and Procedures**

The revised Whistleblowing Policies and Procedures of the Company has been adopted on 15 June 2021 with updated information and enhanced policies and procedures.

The implementation of such policies and procedures is to provide guidance, formal and confidential channel to enable employees to report in good faith, serious concerns of any improper conduct and/or wrongdoing that could adversely impact the Group, employees, shareholders, investors or the public at large without fear of being subject to Detrimental Action. All concerns raised will be investigated and reported directly to the Whistleblowing Committee including the Audit and Risk Management Committee ("ARMC") Chairman.

The Whistleblowing Policies and Procedures is accessible at www.cheetah-online.com for ease of access by the public, employees and associates of the Group.

**Anti-Bribery and Anti-Corruption Policies and Procedures ("ABAC Policy")**

The updated ABAC Policy of the group had been reviewed on 25 May 2026 in accordance with Section 17A of the Malaysian Anti-Corruption Commission Act 2009.

The ABAC Policy is accessible through the Company's corporate website at www.cheetah-online.com.

**Supply of Information**

Board meetings are structured with a pre-set agenda. Prior to the meetings, an agenda together with sufficient and timely information and documents are furnished to all the Directors.

The Directors have enough time to peruse all the issues to be discussed in the meetings and the opportunity to deliberate them thoroughly in the meetings prior to decision making. Minutes of every Board Meeting are circulated to all the Directors for their review prior to confirmation of the minutes at the following Board Meeting.

The Board is supported by qualified and experienced Company Secretaries who provide advice on corporate governance, statutory and regulatory compliance, Board procedures and other corporate secretarial matters.

All Directors have unrestricted access to the advice and services of the Company Secretaries and may seek independent professional advice at the expense of the Company, where necessary, in discharge of their duties. The appointment and removal of Company Secretary(ies) are matters for the Board as a whole.

## THE BOARD OF DIRECTORS (CONT'D)

**Board Meetings**

The Board meets at least once every quarter, to review the operations, financial performance, reports from the various Board Committees and other significant matters of the Group. Where any direction or decisions is required expeditiously or urgently from the Board between the regular meetings, special Board meetings may be convened by the Company. Additionally, in between Board meetings, the Directors may also resolve and approve various matters through circulation of written resolutions.

There was a total of five (5) meetings held during the financial year and the details of the attendance of each Director are as follows:

| Name of Directors | Number of Board Meetings Attended |
|---|---|
| Tan Sri Acryl Sani bin Abdullah Sani | 5/5 |
| Mr. Roy Ho Yew Kee | 5/5 |
| Dato' Tea Choo Keng | 5/5 |
| Mr. Koo Kien Keat | 5/5 |
| Ms. Tham Choi Kuen | 5/5 |

Directors' commitment, resources and time allocated to the Company are evident from the attendance record and the Board is satisfied with the level of time and commitment given by each Directors of the Company towards fulfilling their duties and responsibilities.

**Re-election of Directors**

In accordance with the Constitution of the Company, one-third (1/3) of the Directors, or if their number is not three (3) or a multiple of three (3), then the number nearest to one-third (1/3) shall retire from office at each annual general meeting ("AGM") and they may offer themselves for re-election.

New Director appointed shall hold office only until the AGM subsequent to their appointment and shall then be eligible for re-election.

With the process on re-election of Directors, shareholders are ensured of an annual opportunity to reassess the composition of the Board.

**Directors' Training**

The Directors are mindful that they shall receive appropriate training which may be required from time to time in order to continuously update themselves with changes on rules/regulations/guidelines issued by the relevant authorities as well as keep abreast with the current developments of the marketplace, industry and corporate scene.

The Directors had attended the following training programmes during the FYE 2026:

| Name of Directors | Topic of Training Programmes |

## BOARD COMMITTEES (CONT'D)

**Nomination Committee (Cont'd)**

During the financial year under review, the NC carried out the following activities in discharging its duties and responsibilities as set out in its terms of reference, a copy of which is available at www.cheetah-online.com.

- Reviewed and assessed the Board structure, size, composition and diversity;
- Reviewed and assessed the Board's and individual Director's required mix of skills, experience and other qualities;
- Reviewed and assessed the effectiveness of the Board, Board Committees and the contribution of individual Directors;
- Reviewed and assessed the independence of Independent Non-Executive Directors;
- Reviewed the term of office and performance of the ARMC and its members;
- Determined and reviewed the Directors standing for re-election and recommended them to the Board for consideration;
- Reviewed the training attended by the Directors, assessed their ongoing training needs, and recommended suitable training programmes to enhance the Board's effectiveness; and
- Reviewed and discussed the Terms of Reference of the NC.

The evaluation involves individual Directors and Committee members completing separate performance evaluation sheet regarding the process of the Board and its Committees, their effectiveness and contribution of each individual Director. These assessments and comments by all Directors were tabled and discussed at the NC Meeting which was then reported to the Board at the Board Meeting held thereafter.

Based on the evaluation, the NC was satisfied that the skills, experiences and contributions of the Directors are adequate to enable the Board and the Board Committees to discharge their respective duties and responsibilities effectively.

The Board also acknowledges the importance of boardroom diversity in terms of gender, age, nationality as well as ethnicity and recognises the benefits of this diversity. The Board is of the view that while promoting boardroom diversity is essential, the normal selection criteria based on effective blend of competencies, skills, extensive experience and knowledge to strengthen the Board should remain a priority.

The NC has established recruitment criteria and process for a formal and transparent selection process for identification of new Directors and review the nomination of senior management when the need arises.

**Remuneration Committee**

The objective of the Remuneration Committee ("RC") is to ensure that the Group attracts and retains Directors of the caliber needed, as well as senior management where necessary, to manage the Group successfully. The Board recognizes that the levels of remuneration should be sufficient to attract and retain such Directors needed to run the Company. The remuneration package of the Executive Director is structured to reward each individual performance and for Non-Executive Directors, the level of remuneration reflects the experience and responsibilities undertaken by them.

The RC currently comprises the following members, consisting solely Non-Executive Directors:

- Chairman: Dato' Tea Choo Keng (Independent Non-Executive Director)
- Member: Mr. Koo Kien Keat (Independent Non-Executive Director)
- Member: Ms. Tham Choi Kuen (Independent Non-Executive Director)

## BOARD COMMITTEES (CONT'D)

**Remuneration Committee (Cont'd)**

The RC met once during the financial year under review and the details of attendance are as follows:

| Name of RC Members | Number of RC Meeting Attended |
|---|---|
| Dato' Tea Choo Keng | 1/1 |
| Mr. Koo Kien Keat | 1/1 |
| Ms. Tham Choi Kuen | 1/1 |

The terms of reference of the RC and the Remuneration Policy can be viewed from the Company's website at www.cheetah-online.com.

**Remuneration of Directors and Top Five Senior Management**

**a) Directors' Remuneration**

The Company will seek the shareholders' approval at the forthcoming 29th AGM for Directors' fees and benefits payable to the Directors for the period from the 29th AGM until the conclusion of the next AGM of the Company. This is to facilitate the payment of the Directors' fees and benefits on a monthly basis and/or as and when incurred and shall be applicable to the subsequent financial year thereon.

Details of the Directors' remuneration of the Directors who served the Company are disclosed in Practice 8.1 of the Corporate Governance Report.

During the financial year under review, the RC carried out an annual review of the remuneration packages of the Directors and submits its recommendations to the Board, taking consideration their contributions throughout the year. The RC will also ensure that payments are competitive to attract and retain Directors and in tandem with the Company's corporate objective, culture and strategy. Each Director had ensured that he/she abstained from deliberating and voting in respect of his/her remuneration package and/or fees.

**b) Remuneration of Senior Management**

The Company notes the need for corporate transparency in the remuneration of its key senior management executives, however, given the confidential and commercial sensitivities associated with remuneration matters and the highly competitive human resource environment for personnel with the requisite knowledge, expertise and experience in the Company's business activities, such disclosure may be detrimental to the business interests and give rise to recruitment and talent retention issues. Thus, the Company is of the view that the interest of the shareholders will not be prejudiced as a result of the non-disclosure of the Group's key senior management personnel who are not directors of the Company.

The remuneration of the key senior management personnel, which is a combination of annual salaries, allowances, bonus and benefits-in-kinds are determined in a similar manner as other management employees of the Group. The basis of determination has been consistently applied and is based on individual performance and the overall performance of the Group.

## BOARD COMMITTEES (CONT'D)

**Audit and Risk Management Committee ("ARMC")**

The ARMC was established to assist the Board in identifying, evaluating, and monitoring risks that affect the Group as well as proposing actions to mitigate the same on an on-going basis.

Further details on ARMC and its functions are contained in the Statement on Risk Management and Internal Control section of this Annual Report.

## ACCOUNTABILITY AND AUDIT

**Financial Reporting**

The Board aims to present a balanced, timely and insightful assessment of the Group's financial position, performance and prospects. The ARMC assists the Board in reviewing information for disclosure purposes such as the quarterly report and financial statements for release to Bursa Securities in order to ensure its accuracy, quality, adequacy and completeness.

The Statement by Directors on their responsibility in preparing the Audited Financial Statements is set out on page 55 of this Annual Report.

**Internal Control and Risk Management**

The Board acknowledges its overall responsibility for maintaining a sound and reasonable system of internal control and risk management to safeguard shareholders' interests and the Group's assets. The Board, in consultation with the ARMC, continually reviews the adequacy and effectiveness of the internal control and risk management system to ensure it meets the Group's particular needs and to manage the risks to which it is exposed.

Further details on the state of risk management and internal control of the Company are contained in the Statement on Risk Management and Internal Control section of this Annual Report.

**Relationship with the Auditors**

The Board maintains a formal and transparent relationship with the Group's external and internal auditors to ensure compliance with the appropriate accounting standards and governance practices. The ARMC also met with the external auditors to discuss their audit plan, audit findings and the financial statements.

The role of the ARMC in relation to the auditors is detailed in the ARMC Report section of this Annual Report.

## SHAREHOLDERS

**Communication with Shareholders/Stakeholders**

The Group is committed to maintaining timely and effective dissemination of information to its investors and shareholders, ensuring that they are well informed of significant Company's developments and happenings promptly via the appropriate channel. The Company's financial performance, major corporate developments and other relevant information are promptly disseminated to shareholders, stakeholders and the public via announcements in accordance with the corporate disclosure requirements prescribed by Bursa Securities. Information relating to the Group is also available in the Company's website at www.cheetah-online.com.

## SHAREHOLDERS (CONT'D)

**Annual General Meeting**

The AGM represents the principal forum for dialogue and interaction between the Board and the shareholders. Shareholders are encouraged to participate in the question and answer session, whereby clarifications of pertinent and relevant information are encouraged. The Chairman, Chairmen of the Board Committees' and other Board members are present during the meeting to respond to the questions from shareholders.

The Board will ensure that the Notice of the forthcoming AGM to be sent out at least 28 days before the meeting to allow sufficient time for the shareholders to go through the Annual Report and make necessary attendance and voting arrangements.

The 29th AGM of the Company will be conducted in physical mode, with shareholders participating and voting in person at the meeting.

**Investor Relations Activities**

As part of the Board's responsibility in developing and implementing an investor relations programme, the Company will organise discussions and/or meetings with investors when necessary in order to give them better understanding of the business of the Group.

## COMPLIANCE WITH MCCG 2021

The Board is committed to maintaining high standards of corporate governance and applying the principles and practices set out in the Malaysian Code on Corporate Governance 2021.

During the FYE 2026, the Company applied the relevant practices of the MCCG 2021, except for certain departures as disclosed and explained in the Corporate Governance Report 2026.

The Board will continue to review and enhance the Group's corporate governance framework and practices to promote accountability, transparency and sustainable long-term value creation.

The above Statement was reviewed and approved by the Board on 15 October 2026.

# STATEMENT ON DIRECTORS' RESPONSIBILITY

The Directors are required by the Companies Act 2016 ("CA 2016") to prepare audited financial statements for each financial year which give a true and fair view of the state of affairs of the Group and of the Company at the end of the financial year under review and their results and cash flows for the financial year then ended. As required by CA 2016 and the Main Market Listing Requirements of Bursa Malaysia Securities Berhad, the audited financial statements have been prepared in accordance with the applicable approved accounting standards in Malaysia.

Therefore, in preparing the audited financial statements of the Group and the Company for the year ended 30 June 2026, the Directors have:

- adopted suitable accounting policies and applied them consistently;
- made judgements and estimates that are prudent and reasonable;
- ensured applicable approved accounting standards have been complied with, subject to any material departures being disclosed and explained in the audited financial statements; and
- prepared the audited financial statements on a going concern basis.

The Directors are responsible for ensuring that the Company keeps proper accounting records which disclose with reasonable accuracy at any time the financial position of the Group and of the Company and which enable them to ensure that the audited financial statements complied with the requirements of CA 2016. The Directors are responsible for taking such reasonable steps to safeguard the assets of the Group and of the Company and to prevent and detect fraud and other such irregularities and material misstatements.

The above Statement was reviewed and approved by the Board of Directors on 15 October 2026.

## INTERNAL AUDIT FUNCTION

During the financial year under review, Cheetah Group has outsourced its internal audit function to Galton Advisory PLT ("Galton"), led by Mr. Low Chiun Yik, who is the Founder and Executive Partner of Galton and he holds a MSc Accountancy and Finance Degree from Birmingham City University, United Kingdom.

There were two (2) internal auditors deployed by Galton for the internal audit works performed for the Group during the financial year 2026. All the personnel deployed by Galton are free from any relationships or conflicts of interest, which could impair their objectivity and independence during the course of the work.

The internal audit work was carried out based on Galton Internal Audit Methodology, a risk-based internal audit methodology guided by the International Professional Practices Framework of the Institute of Internal Auditors.

The Internal Audit function provides an independent and objective feedback to the ARMC and the Board on the adequacy, effectiveness and efficiency of the internal control system within the Group. Throughout the financial year, the audit assignments were carried out in accordance with the internal audit plan.

Upon completion of each internal audit cycle, the Internal Auditors will report to the ARMC on their audit findings, their recommendations of actions to be taken together with the management's responses in relation thereto. The Internal Auditors may also follow up to determine the extent of compliance with agreed implementation actions, at the request of the ARMC.

During the financial year under review, there was no material internal control failure that was reported that would have resulted in any significant loss to the Group.

The above Report was reviewed and approved by the Board on 15 October 2026.

# STATEMENT ON RISK MANAGEMENT AND INTERNAL CONTROL

## INTRODUCTION

Pursuant to Paragraph 15.26(b) of the Main Market Listing Requirements ("MMLR") of Bursa Malaysia Securities Berhad ("Bursa Securities"), the Board of Directors ("Board") of Cheetah Holdings Berhad ("Cheetah" or the "Company") hereby presents the following Statement on Risk Management and Internal Control ("SORMIC") of the Group for the financial year ended 30 June 2026 ("FYE 2026"), which was guided by the SORMIC: Guidelines for Directors of Listed Issuers issued by the Taskforce on Internal Control with the support and endorsement of Bursa Securities.

## BOARD RESPONSIBILITY

The Board acknowledges its responsibilities for maintaining a sound internal control and risk management system to safeguard its shareholders' interests and the assets of Cheetah and its subsidiaries (the "Group") and for reviewing the adequacy and effectiveness of these systems. The Board, however, recognises that due to limitations that are inherent in any system of internal controls, these systems are designed to manage and reduce but cannot eliminate all the risks of failure to achieve business objectives. Accordingly, such systems can only provide reasonable but not absolute assurance against material misstatement, loss, fraud or breaches of laws or regulations.

The Board assumes, in its Board Charter, the following duties and responsibilities which are also in line with the Principles and Practices of the Malaysian Code on Corporate Governance:

- Identify principal risks, set risks appetite, and ensure the implementation of an appropriate system to manage these risks; and

- Review the adequacy and integrity of the Group's internal control and risk management systems including systems for compliance with applicable laws, regulations, rules, directives and guidelines.

The process of identifying, evaluating, and managing the significant risks is a concerted and continuing effort throughout the financial year under review. Recognising that the internal control system must be constantly monitored and improvised to meet the challenging business environment, the Board will constantly be proactive to enforce and strengthen the Group's risk management and internal control system. While maintaining overall responsibility, the Board has delegated its functions pertaining to risk management and internal controls to the Audit and Risk Management Committee ("ARMC").

The Management Team ("MT"), consisting of all Heads of Departments and the Risk Officer, identifies, evaluates and monitors risks that affect the Group as well as proposing actions to mitigate the same, reports directly to the ARMC through the Risk Officer.

## RISK MANAGEMENT FRAMEWORK

The Board recognises that risk management is a daily integral part of the Group's business operations and performance and as such, has put in place a Risk Register which is a useful tool for documenting risks identified and management of these significant risks faced by the Group on an ongoing basis.

Furthermore, the Group has in place, a risk management framework which encompassed the following:

- The MT is responsible to ensure that every department within the Group is aware of the risk areas identified, action plans are executed by the relevant designated personnel and regular monitoring is carried out on a timely basis. Periodic internal management meetings are held to address the adequacy of the internal controls and the effectiveness of the management action plans put in place. This is an ongoing process that helps the Group's achievement of its business objectives.

# Statement on Risk Management and Internal Control
(Cont'd)

## RISK MANAGEMENT FRAMEWORK (CONT'D)

Furthermore, the Group has in place, a risk management framework which encompassed the following: (Cont'd)

- The MT has put in place a risk management framework and the ongoing process to assess the various types of risks which have an impact on the profitability of the Group's business. The Group's risks identified are broadly categorised as follows:

    o Strategic Risk – Risks that affect the Group to meet its overall vision, mission, and strategic objectives.

    o Operational Risk – Risks that affect the effectiveness and efficiency of the Group's internal processes or operational conditions to meet its objectives.

- The Risk Officer reports to the ARMC on a half-yearly basis and had held meetings to address key risks that had been identified, their possible causes, measures taken to manage such risks as well as proposed actions to be taken. For the financial year under review, the Group has identified some risk areas of concern that are critical to the success of the business, such as competition, regulatory compliance, and cybersecurity. The likelihood and impact of these risks have been assessed and appropriate mitigation actions have been identified for the risks.

- The ARMC reviews the Risk Register, which is updated by the MT based on the observation and results derived from the internal meetings, on a half-yearly basis. The ARMC is responsible for making observations on the identified key risk areas, and together with the MT members and the Risk Officer, evaluate the risk impact and ensure that the approved action plans are implemented by the management.

- The Board is responsible for the overall risk oversight. In its regular Board Meetings, the Directors, in consultation with the ARMC, are made aware of the significant risks, material issues, and updated information affecting the Group which requires decisions and appropriate actions to be taken. Accordingly, the Directors continue to monitor the identified key risks, risk-mitigating action plans as well as the follow-up process.

## INTERNAL CONTROL

The key elements of the Group's system of internal control are described below:

- The internal audit function of the Group is outsourced to an independent professional consultancy firm. The internal audit function reports directly to the ARMC, which comprises solely of Independent Directors.

- Delegation of responsibilities to the Board Committees and the management are encapsulated in the respective terms of reference and the Board Charter.

- ARMC and Board meetings require important matters to be highlighted and discussed, thus ensuring that both the ARMC and Board maintain effective ongoing monitoring of internal controls and risk matters, where appropriate.

- The business plans and annual budget are reviewed by the ARMC and the Board, whereby a comparison with actual performance was made to address relevant variances.

- Lines of responsibility and delegation of authority for the respective business units are formally defined in the Group's organisational structure. Matters beyond the formalised limits of authority for management are referred upward to the Board for approval.

- Policies and procedures are in place to ensure the Group's employees carry out operations and business activities in a properly guided, standardised and effective manner. The policies and procedures are reviewed from time to time to enhance their efficiency and effectiveness.

# Statement on Risk Management and Internal Control
(Cont'd)

## INTERNAL CONTROL (CONT'D)

The key elements of the Group's system of internal control are described below: (Cont'd)

- Code of Conduct is established and disseminated, which requires employees to maintain the highest standards of professionalism and integrity in all that the employees do.

- Involvement of the Executive Director in the daily operations of the Group, assisted by the senior management staff, ensuring that adequate control procedures in relation to financial and operational controls are in place.

- Involvement of the qualified professionals such as internal auditors and company secretaries to review the internal reporting.

## INTERNAL AUDIT FUNCTION

The Group has outsourced its internal audit function to a professional consultancy firm, which is independent of the activities and operations of the Group, to review the adequacy and integrity of the internal control systems of the Group. The Board acknowledges the importance of the internal audit function which adopts a risk-based approach.

The internal audit function, led by the outsourced Internal Auditors, which report directly to the ARMC, performed reviews on key processes within the Group during the financial year under review and assessed the effectiveness of the internal control systems of the Group's functional areas based on the approved Internal Audit Plan. The Internal Audit Plan is tabled annually and approved by the ARMC before internal audit activities commence. Internal audit reports are presented to the ARMC and would thereafter be reported to the Board. The senior management are responsible for ensuring that approved corrective actions are being implemented within the stipulated time frame.

During the FYE 2026, the Internal Auditors had completed two (2) audit cycles with reviews being focused on Product Design and Development and Marketing Process. Follow-up reviews were also being carried out on corrective measures and the extent of compliance with agreed implementation actions.

The Company has incurred approximately RM24,000 (FYE2025: RM24,000) for the internal audit work conducted within the Group for the FYE 2026.

## REVIEW OF THE STATEMENT BY EXTERNAL AUDITORS

As required by Paragraph 15.23 of the MMLR of Bursa Securities, the external auditors have reviewed the SORMIC in accordance with Malaysian Approved Standard on Assurance Engagements, ISAE 3000 (Revised) Assurance Engagements Other than Audits or Reviews of Historical Financial Information and the Audit and Assurance Practice Guide 3: Guidance for Auditors on Engagements to Report on the SORMIC included in the Annual Report issued by the Malaysian Institute of Accountants.

Based on their procedures performed, the external auditors have reported to the Board that nothing has come to their attention that causes them to believe that this SORMIC is not prepared, in all material respects, in accordance with the disclosures required by paragraphs 41 and 42 of the SORMIC: Guidelines for Directors of Listed Issuers to be set out, nor is it factually inaccurate.

# Statement on Risk Management and Internal Control
(Cont'd)

## CONCLUSION

Based on the findings and procedures performed by the relevant parties, and assurance from the Executive Director and the Executive Committee, the Board is of the view that the risk management and internal control system in place for the financial year under review and up to the date of the approval of this Statement has operated satisfactorily and is sufficient to safeguard shareholders' investment, the Group's assets and the interest of customers, regulators and employees.

There were no material internal control weaknesses that had resulted in any material losses, uncertainties or contingencies that would require disclosure in this Annual Report. Nevertheless, the Board and Management will continue to take appropriate measures to improve and strengthen the risk management and internal control framework of the Group.

*This SORMIC is approved by the Board of Directors on 15 October 2026.*

# Directors' Report
(Cont'd)

## OTHER STATUTORY INFORMATION

(a) Before the financial statements of the Group and of the Company were made out, the Directors took reasonable steps:

(i) to ascertain that proper action had been taken in relation to the writing off of bad debts and the making of provision for doubtful debts and satisfied themselves that all known bad debts had been written off and that adequate provision had been made for doubtful debts; and

(ii) to ensure that any current assets which were unlikely to be realised in the ordinary course of business including their value as shown in the accounting records of the Group and of the Company have been written down to an amount which they might be expected so to realise.

(b) At the date of this report, the Directors are not aware of any circumstances:

(i) which would render the amount written off for bad debts or the amount of the provision for doubtful debts inadequate to any substantial extent;

(ii) which would render the values attributed to current assets in the financial statements of the Group and of the Company misleading;

(iii) which have arisen which render adherence to the existing method of valuation of assets or liabilities of the Group and of the Company misleading or inappropriate; or

(iv) not otherwise dealt with in this report or the financial statements which would render any amount stated in the financial statements misleading.

(c) At the date of this report, there does not exist:

(i) any charge on the assets of the Group and of the Company which has arisen since the end of the financial year which secures the liabilities of any other person; or

(ii) any contingent liability of the Group and of the Company which has arisen since the end of the financial year.

(d) In the opinion of the Directors:

(i) no contingent or other liability has become enforceable, or is likely to become enforceable, within the period of twelve months after the end of the financial year, which will or may affect the ability of the Group and of the Company to meet their obligations as and when they fall due; and

(ii) no item, transaction or event of a material and unusual nature has arisen in the interval between the end of the financial year and the date of this report which is likely to affect substantially the results of the operations of the Group and of the Company for the financial year in which this report is made.

(e) The total amount paid to or receivable by the auditors as remuneration for their services as auditors for the financial year from the Group and the Company is RM231,000 and RM117,000 respectively.

(f) There was no amount paid to or receivable by any third party in respect of the services provided to the Company or any of its subsidiaries by any Director of the Company.

# INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF CHEETAH HOLDINGS BERHAD

**Report on the Audit of the Financial Statements**

**Opinion**

We have audited the financial statements of Cheetah Holdings Berhad, which comprise the statements of financial position as at 30 June 2026 of the Group and of the Company, and the statements of comprehensive income, statements of changes in equity and statements of cash flows of the Group and of the Company for the financial year then ended and notes to the financial statements, including material accounting policy information, as set out on pages 74 to 119.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Group and of the Company as at 30 June 2026, and of their financial performance and their cash flows for the financial year then ended in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia.

**Basis for Opinion**

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

*Independence and Other Ethical Responsibilities*

We are independent of the Group and of the Company in accordance with the *By-Laws (on Professional Ethics, Conduct and Practice)* of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' *International Code of Ethics for Professional Accountants (including International Independence Standards)* ("IESBA Code"), as applicable to audits of financial statements of public interest entities and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

**Key Audit Matters**

Key audit matters are the matters that, in our professional judgement, were of the most significance in our audit of the financial statements of the Group and of the Company for the current year. These matters were addressed in the context of our audit of the financial statements of the Group and of the Company as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report for the Company.

***Carrying Amount of Inventories***

As at 30 June 2026, the carrying amount of inventories of the Group was RM55,245,191 as disclosed in Note 14 to the financial statements.

The Group evaluated the adequacy of provision for slow-moving inventories by analysing the Group's historical retail experience and ageing profile. Provision for slow-moving inventories was made for the old-fashioned and seasonal merchandise with a staggered provision of 25% to 50%, and 100% provision for slow-moving inventories was made for inventories with no recurring sales within past 7 months.

During the financial year, the Group effected the following adjustments:

- Reversal of provision for slow-moving inventories of RM535,469;
- Inventories written back to cost of RM64,517; and
- Written off inventories of RM158,700 for damaged inventories no longer saleable.

Given the substantial level of inventory balance, we considered the determination of the carrying amount of inventories as a key audit matter as the determination of provision for slow-moving inventories, write down of inventories to net realisable value and write off of inventories involves complexity and uncertainty which require high degree of judgement by the management.

# Independent Auditors' Report
(Cont'd)

**Key Audit Matters (Cont'd)**

***Carrying Amount of Inventories (Cont'd)***

***Our audit procedures performed and responses thereon***

Our audit procedures to evaluate management's assessment on the carrying amount of inventories included:

- Reviewed the process in tracking and recording inventories movement and controls in place to monitor the process;
- Attended physical stock take to observe the stock count procedures, related controls and results;
- Reviewed management's costing method adopted for consistency in application and to ensure unit costs are properly updated;
- Reviewed inventories ageing for indication of slow moving or obsolete items as well as the policy of the Group on slow moving inventories;
- Reviewed the reversal of provision for slow moving items is in accordance with the policy of the Group on slow moving inventories.
- Reviewed the valuation of inventories and ascertained that inventories are stated at the lower of cost and net realisable value; and
- Performed cut-off tests to ensure inventories are recorded in the appropriate period.

***Impairment Review of Property, Plant and Equipment ("PPE") and Right-of-Use Assets ("ROU")***

*The Group's PPE and ROU*

As at 30 June 2026, as shown in Notes 8 and 9 to the financial statements, the carrying amounts of the Group's PPE and ROU amounted to RM10,985,547 and RM2,988,060, respectively.

Given all the subsidiaries are in loss-making position and/or accumulated losses position as at the reporting date, this has given rise to an indication of impairment which requires impairment assessment to be performed.

Accordingly, the Group estimated the recoverable amount of PPE and ROU for one subsidiary based on value-in-use ("VIU") calculations using cashflows projections derived from the most recent financial forecast approved by the Directors covering a five-year period together with the estimated net proceeds from the disposal of the land and building at the end of cashflows projections period as disclosed in Note 8(b) to the financial statements.

For the other subsidiary, the Group estimated the recoverable amount of PPE based on fair value less costs of disposal ("FVLCOD") by referring the latest market price for the comparable PPE and estimating corresponding cost of disposal to be applied as disclosed in Note 8(b) to the financial statements.

We have identified the impairment review of PPE and ROU as a key audit matter as impairment test involves significant judgement in assessing the recoverable amounts of PPE and ROU and estimating the underlying assumptions to be applied in the discounted cashflows projections. The recoverable amounts of the Group's PPE and ROU are highly sensitive to key assumptions applied in respect of future revenue growth rate, gross margin and the discount rates used together with the assumption on the estimated disposal value of land and building, net of cost of disposal at the end of cashflows projections period. A small change in the assumption can have a significant impact on the estimation of the recoverable amounts.

**Key Audit Matters (Cont'd)**

***Impairment Review of Property, Plant and Equipment ("PPE") and Right-of-Use Assets ("ROU") (Cont'd)***

***Our audit procedures performed and responses thereon***

Our audit procedures to evaluate management's basis and assumptions used to determine the recoverable amounts included:

- Assessed the basis in deriving the FVLCOD of plant and equipment with the latest market price for the comparable plant and equipment and considering their respective cost of disposal;
- Assessed whether the VIU calculations using cashflows projections together with the estimated net proceeds from the disposal of the land and building at the end of cashflows projections period was prepared by management based on the approved budgets by the Directors;
- Reviewed management's impairment assessment including the growth rate, gross margin and discount rate against our knowledge of the Group's historical performance, business and cost management strategies based on facts and circumstances currently available;
- Reviewed the accuracy of the cashflows projections provided to us for the previous audit by comparing actual results versus budget; and
- Performed sensitivity analysis by changing certain key assumptions used in the cashflows projections and to assess the impact of such changes on the cashflows projections.

**Information Other than the Financial Statements and Auditors' Report Thereon**

The Directors of the Company are responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements of the Group and of the Company and our auditors' report thereon.

Our opinion on the financial statements of the Group and of the Company does not cover the Annual Report and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Group and of the Company, our responsibility is to read the Annual Report and, in doing so, consider whether the other information is materially inconsistent with the financial statements of the Group and of the Company or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of the Annual Report, we are required to report the fact. We have nothing to report in this regard.

**Responsibilities of the Directors for the Financial Statements**

The Directors of the Company are responsible for the preparation of the financial statements of the Group and of the Company that give a true and fair view in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia. The Directors are also responsible for such internal control as the Directors determine is necessary to enable the preparation of financial statements of the Group and of the Company that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Group and of the Company, the Directors are responsible for assessing the Group's and the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Group or the Company or to cease operations, or have no realistic alternative but to do so.

# Independent Auditors' Report
(Cont'd)

**Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements of the Group and of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

(a) Identify and assess the risks of material misstatement of the financial statements of the Group and of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

(b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's and of the Company's internal control.

(c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.

(d) Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's or the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Group and of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group or the Company to cease to continue as a going concern.

(e) Evaluate the overall presentation, structure and content of the financial statements of the Group and of the Company, including the disclosures, and whether the financial statements of the Group and of the Company represent the underlying transactions and events in a manner that achieves fair presentation.

(f) Plan and perform the group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the Group as a basis for forming an opinion on the group financial statements. We are responsible for the direction, supervision and review of the audit work performed for purposes of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Directors, we determine those matters that were of most significance in the audit of the financial statements of the Group and of the Company for the current financial year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## 2. BASIS OF PREPARATION

### (a) Statement of compliance

The financial statements of the Group and of the Company have been prepared in accordance with Malaysian Financial Reporting Standards ("MFRSs"), International Financial Reporting Standards ("IFRSs") and the requirements of the Companies Act 2016 in Malaysia.

The Group and the Company have also considered the new accounting pronouncements in the preparation of the financial statements.

#### (i) Accounting pronouncement that is effective and adopted during the financial year

The Group and the Company have adopted the following new accounting pronouncement that is mandatory for the current financial year.

| | |
|---|---|
| Amendments to MFRS 121 | Lack of Exchangeability |

The adoption of the above accounting pronouncement did not have any significant effect on the financial statements of the Group and of the Company.

#### (ii) Accounting pronouncements that are issued but not yet effective and have not been early adopted

The Group and the Company have not adopted the following new accounting pronouncements that have been issued as at the date of authorisation of these financial statements but are not yet effective for the Group and for the Company:

***Effective for financial periods beginning on or after 1 January 2026***

| | |
|---|---|
| Amendments to MFRS 9 and MFRS 7 | Amendments to the Classification and Measurement of Financial Instruments |
| Amendments to MFRS 9 and MFRS 7 | Contracts Referencing Nature-dependent Electricity |
| Amendments to MFRS 1, MFRS 7, MFRS 9, MFRS 10 and MFRS107 | Annual Improvements to MFRS Accounting Standards – Volume 11 |

## 2. BASIS OF PREPARATION (CONT'D)

### (a) Statement of compliance (Cont'd)

#### (ii) Accounting pronouncements that are issued but not yet effective and have not been early adopted (Cont'd)

The Group and the Company have not adopted the following new accounting pronouncements that have been issued as at the date of authorisation of these financial statements but are not yet effective for the Group and for the Company: (Cont'd)

***Effective for financial periods beginning on or after 1 January 2027***

| | |
|---|---|
| MFRS 18 | Presentation and Disclosure in Financial Statements |
| MFRS 19 and Amendments to MFRS 19 | Subsidiaries without Public Accountability: Disclosures |
| Amendments to MFRS 121 | Translation to a Hyperinflationary Presentation Currency |
| Amendments to MFRS 128 | Amendments to the Fair Value Option for Investments in Associates and Joint Ventures |

***Effective for financial periods beginning on or after 1 January 2029***

| | |
|---|---|
| MFRS 20 | Regulatory Assets and Regulatory Liabilities |

***Effective date to be announced***

| | |
|---|---|
| Amendments to MFRS 10 and MFRS 128 | Sale or Contribution of Assets between an Investor and its Associate or Joint Venture |

The Group and the Company will adopt the above accounting pronouncements when they become effective in the respective financial periods. These accounting pronouncements are not expected to have any effect on the financial statements of the Group and of the Company upon their initial applications other than as follows:

**MFRS 18, *Presentation and Disclosure in Financial Statements***

MFRS 18 will replace MFRS 101, Presentation of Financial Statements and applies for annual periods beginning on or after 1 January 2027. The new accounting standard introduces the following key requirements:

- Entities are required to classify all income and expenses into five categories in the statement of profit or loss, namely the operating, investing, financing, discontinued operations and income tax categories. Entities are also required to present a newly-defined operating profit subtotal.
- Management-defined performance measures are disclosed in a single note in the financial statements.
- Enhanced guidance is provided for grouping of information in the financial statements.

In addition, all entities are required to use the operating profit subtotal as the starting point for the statement of cash flows when presenting operating cash flows under the indirect method.

The Group and the Company are currently assessing the impact of adopting MFRS 18.

### (b) Basis of measurement

The financial statements of the Group and of the Company have been prepared on the historical cost convention unless otherwise disclosed in the notes.

# Notes to the Financial Statements
(Cont'd)

## 2. BASIS OF PREPARATION (CONT'D)

### (c) Functional and presentation currency

The financial statements are presented in Ringgit Malaysia ("RM"), which is the Group's and the Company's functional currency.

### (d) Significant accounting estimates and judgements

Estimates, assumptions concerning the future and judgements are made in the preparation of the financial statements. They affect the application of the Group's and of the Company's accounting policies and reported amounts of assets, liabilities, income and expenses, and disclosures made. Estimates and underlying assumptions are assessed on an on-going basis and are based on experience and relevant factors, including expectations of future events that are believed to be reasonable under the circumstances. The actual results may differ from the judgements, estimates and assumptions made by management, and will seldom equal the estimated results.

The key assumptions concerning the future and other key sources of estimation or uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are set out below.

#### (i) Carrying amount of inventories

Reviews that required judgements and estimates are made periodically by management on obsolete and slow-moving inventories. Possible changes in these estimates could result in revisions to the valuation of inventories.

#### (ii) Impairment of financial assets and receivables

The Group and the Company assess on a forward-looking basis the expected credit loss associated with its debt instruments carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables, the Group applies the simplified approach to estimate a lifetime expected credit loss allowance for all trade receivables. The Group develops the expected loss rates based on the payment profiles of past sales and the corresponding historical credit losses and adjusts for qualitative and quantitative reasonable and supportable forward-looking information (if any). If the expectation is different from the estimation, such difference will impact the carrying value of trade receivables. The carrying amount of trade receivables as at the reporting date is disclosed in Note 15.

For other receivables, the Group and the Company apply the approach permitted by MFRS 9, which requires the Group and the Company to measure the allowance for impairment loss for that financial asset at an amount based on the probability of default occurring within the next 12 months considering the loss given default of that financial asset. The carrying amount of other receivables as at the reporting date is disclosed in Note 15.

#### (iii) Deferred tax assets

Deferred tax implications arising from the changes in corporate income tax rates are measured with reference to the estimated realisation and settlement of temporary differences in the future periods in which the tax rates are expected to apply, based on the tax rates enacted or substantively enacted at the reporting date. While management's estimates on the realisation and settlement of temporary differences are based on the available information at the reporting date, changes in business strategy, future operating performance and other factors could potentially impact on the actual timing and amount of temporary differences realised and settled. Any difference between the actual amount and the estimated amount would be recognised in the profit or loss in the period in which actual realisation and settlement occurs.

## 2. BASIS OF PREPARATION (CONT'D)

**(d) Significant accounting estimates and judgements (Cont'd)**

**(iv) Impairment of property, plant and equipment, right-of-use assets and investment in subsidiaries**

The Group and the Company determine whether their property, plant and equipment, right-of-use assets and investment in subsidiaries are impaired by evaluating the extent to which the recoverable amount of the property, plant and equipment, right-of-use assets and investment in subsidiaries are less than their carrying amounts.

Discounted cash flows is used to determine the recoverable amount of which significant judgement is required in the estimation of the present value of future cash flows generated by the assets, which involve uncertainties and are significantly affected by assumptions used and judgements made regarding estimates of future cash flows and discount rates. The carrying amounts of property, plant and equipment, right-of-use assets and investment in subsidiaries as at the reporting date are disclosed in Notes 8, 9 and 11 respectively.

## 3. REVENUE

| | Group | |
|---|---|---|
| | 2026 RM | 2025 RM |
| **Revenue from contracts with customers:** | | |
| Sales of products | 105,115,837 | 114,798,903 |

Timing of recognition/Unsatisfied performance obligation ("PO")

Revenue is recognised at point in time when control over the goods have been transferred to the customer and obtain customer acceptance of the said goods. Revenue is recognised based on the price specified in the invoices, net of discounts, rebates and incentives where applicable. Payment is generally due within cash term to 90 days from the date when PO is satisfied. There is no unsatisfied PO yet to be recognised as revenue as at the reporting date.

*Material accounting policy information*

**Consignment arrangements**

Products that have been delivered to consignees are held in a consignment arrangement. Revenue is only recognised upon sale of products by the consignees to end customers.

**Right of product returns**

The contracts for the sales of products provide customers with a right of return within a specified period. No refund liability is recognised arising from the right of return as it is negligible.

## 7. LOSS PER ORDINARY SHARE

### (a) Basic loss per share

Basic loss per ordinary share for the financial year is calculated by dividing loss after tax attributable to Owners of the Company by the weighted average number of ordinary shares in issue during the financial year.

| | Group | |
|---|---|---|
| | **2026** | **2025** |
| **Basic loss per share:** | | |
| Loss after tax attributable to Owners of the Company (RM) | (6,165,066) | (16,709,853) |
| Weighted average number of ordinary shares in issue (unit) | 486,235,250 | 486,235,250 |
| Basic loss per share (sen) | (1.27) | (3.44) |

### (b) Diluted loss per share

The Group has no dilution in its loss per ordinary share as there were no potential dilutive ordinary shares outstanding as at 30 June 2026.

Accordingly, the diluted loss per share for the current and previous financial year is presented as equal to basic loss per share.

(i) Related to the advance payment made for the IT software upgrade, which was reclassified to property, plant and equipment upon completion of the upgrade during the prior financial year.

(b) Impairment testing for property, plant and equipment (including right-of-use assets as disclosed in Note 9)

Management has performed the impairment assessment of property, plant and equipment and right-of-use assets by comparing the carrying amount with their recoverable amount. The recoverable amount of the property, plant and equipment and right-of-use assets was determined using either fair value less costs of disposal ("FVLCOD") or value-in-use ("VIU"), as appropriate.

As at 30 June 2026, the net carrying amount of property, plant and equipment and right-of-use assets held by Cheetah Corporation (M) Sdn. Bhd. ("CCSB") and Cheetah Marketing Sdn. Bhd. ("CMSB") amounted to RM13,811,132 (2025: RM14,603,747) and RM162,475 (2025: RM2,224,567) respectively.

CCSB

The recoverable amount of the property, plant and equipment and right-of-use assets is assessed based on VIU, using cashflows projections approved by the Board of Directors covering a five-year period together with the estimated net proceeds from the disposal of the land and building at the end of cashflows projections period.

Based on the assessment, no impairment was made on CCSB's property, plant and equipment and right-of-use assets as the recoverable amount is higher than its carrying amount.

## 8. PROPERTY, PLANT AND EQUIPMENT (CONT'D)

(b) Impairment testing for property, plant and equipment (including right-of-use assets as disclosed in Note 9) (Cont'd)

CMSB

In the current financial year, the management decided to scale down CMSB's operations with intention for CMSB to become dormant subsequent to financial year ended 30 June 2026. CMSB also decided not to further extend its warehouse lease, which expires on 30 June 2026. These circumstances indicated that certain plant and equipment will no longer be utilised in CMSB's operation and may not generate significant future economic benefits.

Hence, the recoverable amount of plant and equipment is assessed based on FVLCOD. Fair value was determined by referring the latest market price for the comparable plant and equipment and adjusted for the estimated corresponding cost of disposal. The fair value of the plant and equipment is categorised within Level 2 of the fair value hierarchy.

Accordingly, an impairment loss amounting to RM691,326 had been recognised on certain furniture and fittings and office equipment, as the recoverable amounts of these assets were assessed to be lower than their carrying amounts. The impairment losses were recognised within "other expenses" line item of the statement of comprehensive income for the financial year ended 30 June 2026.

In the prior financial year, a full impairment loss of RM247,942 had been recognised on IT software and was presented within "other expenses" in the statement of comprehensive income for the financial year ended 30 June 2025.

*Material accounting policy information*

**(i) Recognition and measurement**

Property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

**(ii) Depreciation**

Depreciation is based on the cost of an asset less its residual value. Significant components of individual assets are assessed, and if a component has a useful life that is different from the remainder of that asset, then that component is depreciated separately.

Depreciation is recognised in the profit or loss on straight-line basis over its estimated useful lives of each component of an item of property, plant and equipment at the following annual rates:

| | |
|---|---|
| Building | 2% |
| Furniture and fittings | 5% - 20% |
| Motor vehicles | 20% |
| Office equipment | 10% |
| Renovations | 10% - 33% |
| IT software | 33% |
| IT hardware | 33% |

Depreciation methods, useful lives and residual values are reviewed at end of the reporting period, and adjusted as appropriate.

Fully depreciated property, plant and equipment are retained in the financial statements until they are no longer in use and no further charge for depreciation is made in respect of these property, plant and equipment.

## 8. PROPERTY, PLANT AND EQUIPMENT (CONT'D)

Material accounting policy information (Cont'd)

**(iii) Impairment loss on non-financial assets**

The carrying amount of non-financial assets (except for inventories and deferred tax assets) are reviewed at the end of each reporting period to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

An impairment loss is recognised if the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment losses are recognised immediately in profit or loss. A cash generating unit is the smallest identifiable asset group that generates cash flows that largely are independent from other assets and groups.

The recoverable amount of an asset or cash-generating units is the greater of its value in use and its fair value less costs of disposal. In assessing the recoverable amount, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessment of the time value of money and the risks specific to the asset.

Assets that were previously impaired are reviewed for possible reversal of the impairment as at the end of each reporting period. Any subsequent increase in recoverable amount is recognised in the profit or loss unless it reverses an impairment loss on a revalued asset in which case it is taken to revaluation reserve. Reversal of impairment loss is restricted by the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years.

An impairment loss is recognised for the amount by which the carrying amount of the subsidiary exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and present value of the estimated future cash flows expected to be derived from the investment including the proceeds from its disposal. Any subsequent increase in recoverable amount is recognised in profit and loss to the extent that the carrying amount of the asset does not exceed the carrying amount that would have been determined had no impairment loss been recognised previously.

The Group leased retail spaces and warehouse that run 1.5 to 2 years (2025: 1.5 to 3 years). These leases contain extension option exercisable by the Group of 1 to 2 years (2025: 1 to 2 years) before the end of non-cancellable contract period. Management exercises significant judgement in determining whether these extension options are reasonably certain to be exercised. Management has considered the relevant facts and circumstances that create an economic incentive for the Group to either exercise the option to extend the lease, or to exercise the option to terminate the lease.

During the current financial year, the Group reassessed its lease arrangement to determine whether it remained reasonably certain to exercise extension or termination options, particularly when there were significant changes in circumstances within the Group's control. Accordingly, the contractual lease term was revised. The right-of-use asset was depreciated on a straight-line basis over the revised lease term.

## 9. RIGHT-OF-USE ASSETS (CONT'D)

In accordance with MFRS 16 Leases, the lease liability was remeasured using a revised discount rate at the effective date of the modification, with a corresponding adjustment to the right-of-use asset. The modification resulted in a decrease in the carrying amount of the right-of-use asset and lease liability of RM448,950 (2025: RM1,305,207) and RM475,769 (2025: RM1,271,212), respectively. Consequently, a gain on lease modification of RM26,819 (2025: RM33,995) was recognised within "other income" line item of the statement of comprehensive income during the financial year.

The expenses charged to profit or loss during the financial year are as follow:

| | Group | |
|---|---|---|
| | **2026 RM** | **2025 RM** |
| Depreciation of right-of-use assets | 1,170,835 | 1,456,808 |

| Expense relating to leases of low value assets | 152,615 | 163,741 |
| | 2,130,732 | 2,168,670 |

*Material accounting policy information*

**(i) Recognition and measurement**

Right-of-use asset is measured at cost less any accumulated depreciation and any accumulated impairment losses.

The right-of-use assets are periodically reduced by impairment losses, if any, and adjusted for certain remeasurement of the lease liabilities. The Group applies MFRS 136 to determine whether a right-of-use asset is impaired and accounts for any identified impairment loss as disclosed in Note 8(iii).

Modifications to lease agreements, extensions to existing lease agreements and changes to future lease payments relating to existing terms in the contract are presented as remeasurements of the lease liabilities. The related right-of-use assets are also remeasured. If the modification results in reduction in scope of the lease, either through shortening the lease term or through disposing of part of the underlying asset, a gain or loss on disposal may arise relating to the difference between the lease liabilities and the right-of-use asset applicable to the reduction in scope.

For a lease modification that is not accounted for a separate lease, the Group remeasures the lease liability based on the lease term of the modified lease by discounting the revised lease payments using a revised discount rate at the effective date of the modification.

The Group has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low value assets.

Group recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term

**(i) Additions of investment in subsidiaries**

In the prior financial year, the Company subscribed to 196,996 ordinary shares of CCSB at an issue price of RM1 per ordinary share. No changes to the Company's effective equity interest of CCSB.

**(ii) Capital contribution to subsidiaries**

Capital contribution to a subsidiary represents amount due from CMSB which is non-trade in nature, unsecured and interest-free and the settlement of the amount is neither planned for nor likely to occur in the foreseeable future. As this amount is in substance, a part of the Company's net investment in CMSB, it is stated at cost less accumulated impairment losses.

## 11. INVESTMENT IN SUBSIDIARIES (CONT'D)

**(iii) Impairment loss on investment in a subsidiary**

During the current financial year, the Company carried out a review of the recoverable amount of the investment in CMSB with the cost of RM39,184,315 (2025: RM37,234,315) that had recent history of operational losses, accumulated losses and the carrying amount of the investment was higher than the net assets.

In view of management's plan to cease the operations of CMSB as disclosed in Note 8(b), the Company determined the recoverable amount of the investment based on FVLCOD method, as the VIU is not expected to exceed the FVLCOD given that CMSB is not expected to generate significant future cash flows from its operations. The FVLCOD was derived from the net assets of CMSB less the estimated liquidation fees. The management assessed the recoverable amount to be lower than the carrying amount of its cost of investment and concluded an impairment loss was required to be recognised in the financial statements of the Company for the financial year ended 30 June 2026.

An impairment loss of RM1,949,999 (2025: RM7,634,315) was recognised within "other expenses" line item of the statements of comprehensive income of the Company.

*Material accounting policy information*

Investment in subsidiaries are accounted for at cost less accumulated impairment losses. On disposal of such investments, the difference between net disposal proceeds and their carrying amounts is recognised in profit or loss.

The impairment of investment in subsidiaries is reviewed when there is an indication of impairment as disclosed in Note 8(iii).

Consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at the reporting date. The financial statements of the subsidiaries used in the preparation of the consolidated financial statements are prepared for the same reporting date as the Company. Consistent accounting policies are applied for like transactions and events in similar circumstances. The Company controls an investee if and only if the Company has all the following:

(i) Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee);
(ii) Exposure, or rights, to variable returns from its investment with the investee; and
(iii) The ability to use its power over the investee to affect its returns.

When the Company has less than a majority of the voting rights of an investee, the Company considers the following in assessing whether or not the Company's voting rights in an investee are sufficient to give it power over the investee:

(i) The size of the Company's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
(ii) Potential voting rights held by the Company, other vote holders or other parties;
(iii) Rights arising from other contractual arrangements; and
(iv) Any additional facts and circumstances that indicate that the Company has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders' meetings.

Subsidiaries are consolidated when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary.

## 11. INVESTMENT IN SUBSIDIARIES (CONT'D)

*Material accounting policy information (Cont'd)*

Business combination

Acquisition of subsidiaries are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred, measured at acquisition date fair value and the amount of any non-controlling interest in the acquiree. The Group elects on a transaction-by-transaction basis whether to measure the non-controlling interests in the acquiree either at fair value or at the proportionate share of the acquiree's identifiable net assets. Transaction cost incurred are expensed and included in profit or loss.

Any contingent consideration to be transferred by the acquirer will be recognised at fair value at the acquisition date. Subsequent changes in the fair value of the contingent consideration which is deemed to be an asset or liability, will be recognised in accordance with MFRS 9 either in profit or loss or a change to other comprehensive income. If the contingent consideration is classified as equity, it will not be remeasured. Subsequent settlement is accounted for within equity.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at acquisition date. This includes the separation of embedded derivatives in host contracts by the acquiree.

If the business combination is achieved in stages, the acquisition date fair value of the acquirer's previously held equity interest in the acquiree is remeasured to fair value at the acquisition date through profit or loss.

Transactions eliminated on consolidation

Intra-group balances and transactions, and any unrealised income and expenses arising from intra-group transactions between subsidiaries in the Group, are eliminated in preparing the consolidated financial statements.

The Group has recognised the deferred tax assets based on the current level of operations of the Group and the probability that sufficient taxable profit will be generated in future against which the deferred tax assets can be utilised.

## 13. DEFERRED TAX ASSETS (CONT'D)

The estimated temporary differences for which no deferred tax assets have been recognised in the financial statements are as follows (stated at gross):

| | Group | |
|---|---|---|
| | | Restated |
| | 2026 | 2025 |
| | RM | RM |
| Unabsorbed capital allowances | 1,545,297 | 1,348,453 |
| Unutilised tax losses | 7,007,656 | 3,290,339 |
| Other temporary differences | 1,983,126 | 2,089,721 |
| | 10,536,079 | 6,728,513 |

*Material accounting policy information*

Deferred tax is recognised using the liability method, on all temporary differences between the tax base of assets and liabilities and their carrying amounts in the financial statements. Deferred tax is not recognised if the temporary difference arises from the initial recognition of an asset or liability in a transaction, which is not a business combination and at the time of the transaction, affects neither accounting nor taxable profit or loss. Deferred tax is measured at the tax rates that are expected to apply in the period in which the assets are realised or the liabilities are settled, based on tax rates and tax laws that have been enacted or substantively enacted by the reporting date.

Deferred tax assets are recognised only to the extent that are sufficient taxable temporary differences relating to the same taxable entity and the same taxation authority to offset or when it is probable that future taxable profits will be available against which the assets can be utilised.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefits will be realised. Unrecognised deferred tax assets are assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profit will be available for the assets to be utilised.

Deferred tax assets relating to items recognised outside profit or loss is recognised outside profit or loss.

## 23. RELATED PARTIES DISCLOSURES

### (i) Identity of related parties

For the purpose of these financial statements, parties are considered to be related to the Group and to the Company if the Group and the Company have the ability, directly or indirectly, to control the party or exercise significant influence over the party in making financial and operating decision, or vice versa, or where the Group and the Company and the party are subject to common control or common significant influence. Related parties may be individuals or other entities.

The Group has a related party relationship with its Directors, related parties and key management personnel. The Company has a related party relationship with its subsidiaries, Directors and key management personnel. The related parties are companies in which certain Directors have substantial financial interests and/or also Directors of the Group. The related party balances of the Group and of the Company are disclosed in Notes 15 and 22.

### (ii) Related party transactions

Other than those disclosed elsewhere in the financial statements, the related party transactions of the Group are shown below:

| | Group | |
|---|---|---|
| | 2026 RM | 2025 RM |
| **Transactions with related parties** | | |

| **Transactions with a former related party** | | |
| Sales of finished goods | – | (23,421) |

### (iii) Compensation of key management personnel

Key management personnel are defined as those persons having authority and responsibility for planning, directing and controlling the activities of the Group and of the Company either directly or indirectly. The key management personnel comprise Directors of the Company and its subsidiaries.

The remunerations paid by the Group and by the Company to key management personnel during the financial year is disclosed in Note 5.

## 24. FINANCIAL INSTRUMENTS

### Categories of financial instruments

The Group's and the Company's financial assets (excluding prepayments) and financial liabilities are all categorised as amortised costs respectively, except for other investments and short-term funds measured at fair value through profit or loss as disclosed in Notes 12 and 16.

## 24. FINANCIAL INSTRUMENTS (CONT'D)

**Financial risk management objectives and policies**

The Group's and the Company's financial risk management policy is to ensure that adequate financial resources are available for the development of the Group's and of the Company's operations whilst managing their financial risks, including credit risk and liquidity risk. The Group and the Company operate within clearly defined guidelines that are approved by the Board and the Group's and the Company's policy are not to engage in speculative transactions.

The following sections provide details regarding the Group's and the Company's exposure to the above-mentioned financial risks and the objectives, policies and processes for the management of these risks.

**(i) Credit risk**

Credit risk is the risk of financial loss to the Group and to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. The Group's exposure to credit risk arises primarily from its receivables (which consist of trade and other receivables) and cash and cash equivalents. The Company's exposure to credit risk arises primarily from its other receivables and cash and cash equivalents. There are no significant changes as compared to prior years.

**Trade receivables**

Risk management objectives, policies and processes for managing the risk

Management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis. Credit risk is minimised and monitored via strictly limiting the Group's association to business partners with good credit rating. Credit evaluations are performed on all customers requiring credit over a certain amount.

At each reporting date, the Group assesses whether any of the trade receivables are credit impaired.

The gross carrying amounts of credit impaired receivables are written off (either partially or full) when there is no realistic prospect of recovery. This is generally the case when the Group determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to write-off. Nevertheless, receivables that are written off could still be subject to enforcement activities.

Exposure to credit risk, credit quality and collateral

As the Group does not hold any collateral, the maximum exposure to credit risk from receivables is represented by the carrying amounts in the statements of financial position as at the end of the reporting period.

Credit risk concentration profile

The Group determines concentration of credit risk by monitoring the profiles of its receivables on an ongoing basis.

At the end of each reporting period, the Group has significant concentration of credit risk arising from amounts due from 2 (2025: 2) major customers which constitute approximately 50% (2025: 47%) of net trade receivables of the Group. The Group does not anticipate the carrying amounts recorded at the end of each reporting period to be significantly different from the values that would eventually be received.

**Financial risk management objectives and policies (Cont'd)**

**(i) Credit risk (Cont'd)**

**Trade receivables (Cont'd)**

Recognition and measurement of impairment loss (Cont'd)

In managing credit risk of trade receivables, the Group manages its debtors and takes appropriate actions (including but not limited to legal actions) to recover long overdue balances and to ensure that receivables that are neither past due nor impaired are stated at their realisable values. The Group has recognised a loss allowance of 100% for any receivables over 120 days past due from customer because historical experience has indicated that these receivables are generally not recoverable.

The Group has applied the simplified approach in MFRS 9 to measure the loss allowance at lifetime expected credit losses. The Group assesses impairment of trade receivables on individual and collective basis.

For individual assessment, it is due to different credit risk characteristics and the number of debtors is minimal and these debtors can be individually managed by the Group in an effective and efficient manner. The Group has reasonable and supportable information available to assess the impairment individually.

For collective assessment, the Group determines the expected credit losses by using a roll rate for collectively assessed receivables which are grouped together based on shared credit risk characteristics, the number of days past due and similar types of contracts which have similar risk characteristics.

Loss rates are calculated using a "roll rate" method based on the probability of a receivable progressing through successive stages of delinquency.

Loss rates are based on actual credit loss experienced over the prior years and are adjusted to reflect the forward-looking information on macroeconomic factors. The Group also considers differences between (a) economic conditions during the period over which the historical data has been collected, (b) current economic conditions and (c) the Group's view of economic conditions over the expected lives of the receivables.

The Group will initiate appropriate debt recovery procedures on past due balances which are monitored by the sales management team and where necessary, the Group will also commence legal proceeding against the customers.

The following table provides information about the exposure to credit risk and Expected Credit Loss ("ECL") for trade receivables as at 30 June 2026 and 30 June 2025:

Receivables that are neither past due nor impaired

Trade receivables that are neither past due nor impaired are creditworthy debtors with good payment records and mostly are regular customers that have been transacting with the Group. None of the trade receivables that are neither past due nor impaired have been renegotiated during the financial year.

Receivables that are past due but not impaired

The Group has not provided for impairment for these trade receivables as there has been no significant changes in their credit quality and the amounts are still considered recoverable. These relate to a number of independent customers with slower repayment patterns, for whom there is no recent history of default. The Group does not hold any collateral or other credit enhancement over these balances.

Credit impaired

Trade receivables that are collectively determined to be impaired at the reporting date relate to debtors that are in significant financial difficulties and have defaulted on payments which are past due more than 120 days from different customer profiles. These receivables are not secured by any collateral or credit enhancements.

The movement in the allowance for impairment loss on trade receivables is as follows:

| | Group | |
|---|---|---|
| | 2026 RM | 2025 RM |
| At beginning of the financial year | 157,657 | 410,110 |
| Addition during the financial year | 14,265 | 22,944 |

## 24. FINANCIAL INSTRUMENTS (CONT'D)

**Financial risk management objectives and policies (Cont'd)**

**(i) Credit risk (Cont'd)**

**Cash and cash equivalents**

The cash and cash equivalents are held with banks and financial institutions. As at the reporting date, the maximum exposure to credit risk is represented by their carrying amounts in the statements of financial position. These banks and financial institutions have low credit risks. Hence, a loss allowance is not necessary.

**Other receivables**

Expected credit loss of other receivables is determined individually after considering the financial strength of the other receivables. As at the end of the reporting period, the maximum exposure to credit risk is represented by their carrying amounts in the statements of financial position.

As at the end of the reporting period, the Group and the Company have assessed debtors which are past due more than 1 year as credit impaired. As such, the Group has provided allowances for expected credit losses on these debtors as disclosed in Note 15.

The movement in the allowance for impairment loss on other receivables is as follows:

| | Group | | Company | |
|---|---|---|---|---|
| | 2026 RM | 2025 RM | 2026 RM | 2025 RM |
| At beginning of the financial year | 1,673,292 | 1,644,799 | 28,493 | – |
| Addition during the financial year | – | 28,493 | – | 28,493 |
| Written off | (28,493) | – | (28,493) | – |
| At end of the financial year | 1,644,799 | 1,673,292 | – | 28,493 |

The Group and the Company defined significant increase in credit risk as deterioration of operating performance of the receivables, changes to contractual terms, payment delays and past due information.

**(ii) Liquidity risk**

Liquidity risk is the risk that the Group and the Company will encounter difficulty in meeting financial obligations associated with financial liabilities.

The Group's and the Company's liquidity risk management policy is to manage their debt maturity profile, operating cash flows and the availability of funding so as to ensure that refinancing, repayment and funding needs are met.

The Group and the Company practice prudent risk management by maintaining sufficient cash balances.

All of the Company's liabilities at the reporting date mature within one year or repayable on demand.

## 26. FAIR VALUES INFORMATION

Financial instruments at fair value

The fair value measurement hierarchies used to measure financial asset at fair value in the statements of financial position is disclosed in Notes 12 and 16.

There were no material transfer between Level 1, Level 2 and Level 3 during the financial year.

Financial instruments other than those carried at fair value

*Financial instruments that are not carried at fair value and whose carrying amounts are reasonable approximation of fair values*

The carrying amounts of short-term receivables and payables, cash and cash equivalents and short-term borrowings approximate their fair values due to the relatively short-term nature of these financial instruments and insignificant impact of discounting.

## 27. CAPITAL MANAGEMENT

The primary objective of the Group's and the Company's capital management is to ensure that it maintains a healthy capital ratio in order to support its business and maximise shareholders' value.

To manage the capital structure, the Group and the Company use various methods including distribution of cash and share dividend payments to shareholders and debt financing.

The Group and the Company manage their capital structure and make adjustments to it, in light of changes in economic and business conditions. To maintain or adjust the capital structure, the Group and the Company may adjust the dividend payment to shareholder, return capital to shareholder or issue new shares. No changes were made in the objectives, policies and processes during the financial years ended 30 June 2026 and 30 June 2025.

Pursuant to the requirements of Practice Note 17/2005 of the Bursa Malaysia Securities Berhad, the Group is required to maintain a consolidated shareholders' equity of more than 25% of the issued and paid-up capital (excluding treasury shares) and such shareholders' equity is not less than RM40 million. The Company has complied with this requirement for the financial year ended 30 June 2026.

The Group and the Company are not subject to any other externally imposed capital requirements.

# Notice of Annual General Meeting
(Cont'd)

Notes:

**1. Appointment of Proxy**

a. For the purpose of determining who shall be entitled to participate in this AGM, the Company shall be requesting Bursa Malaysia Depository Sdn. Bhd. to make available to the Company, a Record of Depositors as at 20 November 2026. Only a member whose name appears on this Record of Depositors shall be entitled to participate in this AGM.
b. A member entitled to participate in this AGM is entitled to appoint a proxy or attorney or in the case of a corporation, to appoint a duly authorised representative to participate and vote in his/her place. A proxy may but need not be a member of the Company.
c. A member of the Company who is entitled to participate and vote at a general meeting of the Company may appoint not more than two (2) proxies to participate and vote instead of the member at the AGM.
d. Pursuant to Paragraph 8.29A(1) of the MMLR of Bursa Securities, all resolutions set out in the Notice of the 29th AGM will be voted upon by way of poll.
e. Where a member of the Company is an authorised nominee as defined in the Securities Industry (Central Depositories) Act 1991 ("Central Depositories Act"), it may appoint not more than two (2) proxies in respect of each securities account it holds in ordinary shares of the Company standing to the credit of the said securities account.
f. Where a member of the Company is an exempt authorised nominee which holds ordinary shares in the Company for multiple beneficial owners in one securities account ("omnibus account"), there is no limit to the number of proxies which the exempt authorised nominee may appoint in respect of each omnibus account it holds. An exempt authorised nominee refers to an authorised nominee defined under the Central Depositories Act which is exempted from compliance with the provisions of Section 25A(1) of the Central Depositories Act.
g. Where a member appoints more than one (1) proxy, the proportion of shareholdings to be represented by each proxy must be specified in the instrument appointing the proxies.
h. The instrument appointing a proxy and any authority pursuant to which such an appointment is made by a power of attorney must be deposited at the registered office of the Company at DF2-09-02, Level 9, Persoft Tower, 6B, Persiaran Tropicana, Tropicana Golf & Country Resort, 47410 Petaling Jaya, Selangor Darul Ehsan or transmitted by facsimile to 03-3008 1124 or by email to sharereg@prosec.com.my not less than forty-eight (48) hours before the time appointed for holding the AGM or adjourned AGM at which the person named in the appointment proposes to vote. A copy of the power of attorney may be accepted provided that it is certified notarially and/or in accordance with the applicable legal requirements in the relevant jurisdiction in which it is executed.
i. The lodging of the Form of Proxy will not preclude a member from attending, participating, speaking and voting in person at the 29th AGM should the member subsequently wish to do so, subject to the applicable procedures for termination of the proxy appointment.
j. Please ensure ALL the particulars as required in the Form of Proxy are completed, signed and dated accordingly.
k. Last date and time for lodging the Form of Proxy is Tuesday, 1 December 2026 at 2.00 p.m.
l. For a corporate member who has appointed an authorised representative, please deposit the **ORIGINAL** certificate of appointment of authorised representative executed in the manner as stated in the Form of Proxy at the registered office of the Company at DF2-09-02, Level 9, Persoft Tower, 6B, Persiaran Tropicana, Tropicana Golf & Country Resort, 47410 Petaling Jaya, Selangor Darul Ehsan.

**2. Audited Financial Statements**

The Audited Financial Statements in Agenda 1 is meant for discussion only as the approval of the shareholders is not required pursuant to the provisions of Sections 248(2) and 340(1)(a) of CA 2016. Hence, this Agenda is not put forward for voting by shareholders.

**3. Directors' Fees and Benefits**

Pursuant to Section 230(1) of the CA 2016, the fees of the Directors and any benefits payable to the Directors shall be approved at a general meeting.

Ordinary Resolution 1 seeks shareholders' approval for the payment of Directors' Fees and Benefits for the period from 4 December 2026 until the date of next AGM. In the event the proposed amount is insufficient, e.g. due to more meetings or enlarged Board of Directors ("Board") size, approval will be sought at the next AGM for the shortfall.

Notes: (Cont'd)

**4. Re-election of Directors**

Tan Sri Acryl Sani bin Abdullah Sani ("Tan Sri Acryl") and Mr. Koo Kien Keat ("Mr. Koo") are standing for re-election as Directors of the Company and being eligible, have offered themselves for re-election at the 29th AGM.

The Board, save for the retiring Directors who abstained from deliberation and voting was further satisfied that Tan Sri Acryl and Mr. Koo have complied with the criteria of independence based on the MMLR of Bursa Securities and remain independent in exercising their judgement and carry out their roles as Independent Directors.

The Board, save for the retiring Directors who abstained from deliberation and voting had through the Nomination Committee carried out the assessment on Tan Sri Acryl and Mr. Koo and agreed that Tan Sri Acryl and Mr. Koo have character, experience, integrity, competence and time to effectively discharge their role as Directors.

**5. Retention of Independent Director**

Dato' Tea Choo Keng ("Dato' Tea") has served as an Independent Director of the Company for a cumulative term of more than nine (9) years.

The Board, through the Nomination Committee, has assessed the independence of Dato' Tea and is satisfied that he continues to demonstrate independence of judgement and objectivity in discharging his duties and responsibilities as an Independent Director, notwithstanding his length of service. Dato' Tea had abstained from the deliberation and voting at the Board meeting in respect of his proposed retention as an Independent Director of the Company.

The Board is of the view that Dato' Tea's extensive experience, knowledge of the Group's business operations and valuable contributions to Board deliberations enable him to continue providing independent and constructive views in the best interests of the Company and its shareholders.

Accordingly, the Board recommends that shareholders vote in favour of Ordinary Resolution 5 to retain Dato' Tea as an Independent Director until the conclusion of the next AGM of the Company.

The proposed resolution will be voted upon through a two-tier voting process in accordance with Practice 5.3 of the Malaysian Code on Corporate Governance 2021. Further details of the Board's justification are set out in the Corporate Governance Overview Statement in the Company's Annual Report 2026.

**6. Authority to Allot and Issue Shares**

The proposed Ordinary Resolution 6 is the renewal of the general mandate obtained from the members at the 28th AGM held on 28 November 2025.

The proposed Ordinary Resolution 6, if passed, will empower the Directors from the date of this AGM, to allot and issue up to a maximum of 10% of the total number of issued share capital of the Company for the time being for such purposes as they consider would be in the best interests of the Company. This authority, unless revoked or varied at a general meeting, will expire at the next AGM of the Company.

The renewal of the Proposed General Mandate is to provide flexibility to the Company to issue new shares without the need to convene a separate general meeting to obtain shareholders' approval as to avoid incurring additional cost and time. The proceeds raised from the Proposed General Mandate will provide flexibility to the Company for any possible fund-raising activities, including but not limited to further placing of shares, for purposes of funding future investment project(s), working capital and/or acquisition(s).

As at the date of this notice, no shares had been allotted and issued since the general mandate granted to the Directors at the last AGM held on 28 November 2025 and this authority will lapse at the conclusion of the 29th AGM of the Company.

The Board, having considered the current and prospective financial position, needs and capacity of the Group, is of the opinion that the Proposed General Mandate is in the best interests of the Company and its shareholders.

Notes: (Cont'd)

**7. Proposed Renewal of Existing Shareholders' Mandate**

The Ordinary Resolution 7, if passed, will allow the Company and/or its subsidiaries to enter into recurrent related party transactions of a revenue or trading nature which are necessary for the day-to-day operations of the Company and/or its subsidiaries, subject to the transactions being carried out in the ordinary course of business of the Company and/or its subsidiaries and on normal commercial terms which are generally available to the public and not detrimental to the minority shareholders of the Company. This authority will, unless revoked or varied by the Company in general meeting, expire at the next AGM of the Company. Please refer to Section 2.4 of the Circular to Shareholders dated 30 October 2026 for more information.

**8. Personal Data Privacy**

By registering to attend, participate, speak and vote at the AGM and/or submitting an instrument appointing proxy(ies) and/or representatives to attend, participate, speak and vote at the AGM and/or any adjournment thereof, a member of the Company: (i) consents to the processing of the member's personal data by the Company (or its agents): (a) for processing and administration of proxies and representatives appointed for the AGM; (b) for preparation and compilation of the attendance lists, minutes and other documents relating to the AGM (which includes any adjournments thereof); and (c) for the Company's (or "its agents") compliance with any applicable laws, listing rules, regulations and/or guidelines (collectively the "Purpose"); (ii) warrants that he/she has obtained such proxy(ies)' and/or representative(s)' prior consent for the Company's (or "its agents") processing of such proxy(ies)' and/or representative(s)' personal data for the Purposes; and (iii) agrees that the member will indemnify the Company for any penalties, liabilities, claims, demands, losses and damages as a result of the member's breach of warranty.

Note: The term "processing" and "personal data" shall have the meaning as defined in the Personal Data Protection Act, 2010.

# STATEMENT ACCOMPANYING NOTICE OF THE 29TH ANNUAL GENERAL MEETING

Pursuant to Paragraph 8.27(2) of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad
